Personal Declension:

Personal Declension and Revival of Religion in the Soul Octavius Winslow, 1848 Personal Declension and Revival of Religion in the Soul Octavius Winslow, 2017-09-11 Many who are conscious that their spiritual experience and vitality have sadly declined have only a hazy notion of the nature and causes of their condition The kind of searching analysis which would help to clarify their thoughts and concentrate their sense of conviction is largely absent from the contemporary pulpit and from the Christian literature of the day But such help is available and can be found in works like Octavius Winslow's Personal Declension and Revival It discusses the areas of life in which backsliding takes place examines the consequences and in the concluding chapters points to the Lord who is the restorer and keeper of his people The passage of time since this book was first published in 1841 has not diminished its value and the fact that it has been frequently reprinted eloquently testifies to its continuing spiritual usefulness

Personal Declension and Revival of Religion in the Soul (Classic Reprint) Octavius Winslow, 2017-09-17 Excerpt from Personal Declension and Revival of Religion in the Soul That the subject on which this humble volume treats is vastly solemn and deeply searching every true believer in Jesus must acknowledge The existing necessity for such a work has long impressed itself upon the Author's mind While other and abler writers are employing their pens either in defending the outposts of Christianity or in arousing a slumbering church to an increased intensity of personal and combined action in the great work of Christian benevolence he has felt that if he might but be instrumental in ever so humble a way of occasionally withdrawing the eye of the believer from the dazzling and almost bewildering movements around him and fixing it upon the state of his own personal religion he would be rendering the Christian church a service not the less needed and important in her present elevated and excited position About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
