Peter Dawson, 2017-05-09 Can Frank Rivers clear his name of his father's murder Frank Rivers had served four years in the penitentiary for the murder of his father in the commission of a stagecoach robbery There had been a witness that could not be found at the time of the trial but whose testimony four years later was sufficient for Rivers to receive a full pardon But for Rivers the matter is scarcely ended He wants to find the real culprits behind the crime His search leads him to Ute Springs where he immediately comes to the notice of Sheriff Jim Echols who believes that Rivers committed the crime and that he bribed his way into being granted a pardon When Rivers witnesses the murder of his prime suspect he has a tough decision to make Flee and be blamed or stay and be blamed Rider on the Buckskin once again shows off Dawson's writing chops justifying his reputation as one of the most respected Western writers of all time
