The Devil Rides Outside John Howard Griffin, 2010 No less a critic than Clifton Fadiman called *The Devil Rides Outside* a staggering novel The first novel of John H Griffin it was written during the author's decade of blindness following an injury suffered during the closing days of World War II As *Time Magazine* described it *The Devil Rides Outside* has some things relatively rare in U S letters energy earnestness and unashamed religious fervor Written as a diary the novel relates the intellectual and spiritual battles of a young American musicologist who is studying Gregorian chant in a French Benedictine monastery Even though he is not Catholic he must live like the monks sleeping in a cold stone cell eating poor food sharing latrine duties His dreams rage with memories of his Paris mistress his days are spent being encouraged by the monks to seek God He takes up residence outside the monastery after an illness but he finds the village a slough of greed and pettiness and temptation Indeed as the French proverb says the devil rides outside the monastery walls *The Inside Ride* Donald Cohen, Max Cohen, 2020 An extended and fearless exploration

on the meaning of manhood in contemporary Western culture at a moment in time in which both Fatherhood and Manhood have become endangered concepts Pointing out the need for strong male relationships and guidance this book offers an essential prescription for the psychological health of modern Western societies which have lost the thread of traditional cultures and their time honored rites of passage The extensive letter exchange between father and son demonstrates intimacy and honesty in analyzing and exploring the often tumultuous events of their lives Trained in two different psychological disciplines their interaction provides the reader a look at the complexity of growing up in America's fast changing culture offering invaluable insights for both children and parents With an introduction by Donald's son Jared Cohen
