Right Kind Of War A Novel:

Book Lust Nancy Pearl, 2009-09-29 What to read next is every book lover's greatest dilemma Nancy Pearl comes to the rescue with this wide ranging and fun guide to the best reading new and old Pearl who inspired legions of litterateurs with *What If All name the city* Read the Same Book has devised reading lists that cater to every mood occasion and personality These annotated lists cover such topics as mother daughter relationships science for nonscientists mysteries of all stripes African American fiction from a female point of view must reads for kids books on bicycling chick lit and many more Pearl's enthusiasm and taste shine throughout **The People's Right to the Novel** Eleni Coundouriotis, 2014-09-15 This study offers a literary history of the war novel in Africa Coundouriotis argues that this genre aimed more specifically at African readers than the continent's better known bildungsroman tradition nevertheless makes an important intervention in global understandings of human rights The African war novel lies at the convergence of two sensibilities it encounters in European traditions the naturalist aesthetic and the discourse of humanitarianism whether in the form of sentimentalism or of human rights law Both these sensibilities are present in culturally hybrid forms in the African war novel reflecting its syncretism as a narrative practice engaged with the colonial and postcolonial history of the continent The war novel Coundouriotis argues stakes claims to collective rights that contrast with the individualism of the bildungsroman tradition The genre is a form of people's history that participates in a political struggle for the rights of the dispossessed *Heaven's War* David S. Goyer, Michael Cassutt, 2013-06-25 The competing teams of astronauts sent to explore the asteroid Keanu discovered it was in fact a giant spacecraft with an alien crew carrying a plea for help A brave new frontier beckons But it will come at a price Without warning the aliens transport small groups of humans to the vast interior habitats of Keanu Their first challenge is to survive Their second discover why The Architects the unseen aliens controlling the asteroid brought them there The third find a way to take control of Keanu Because the ship is moving again The Architects are going home American Historical Fiction Lynda G. Adamson, 1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers I American Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting *Curating and Re-Curating the American Wars in Vietnam and Iraq* Christine Sylvester, 2019-03-04 We have long saved and curated objects from wars to commemorate the war experience These objects appear at national museums and memorials and in war novels and memoirs Through them we institutionalize narratives and memories of national identity power and purpose This book asks whose vantage points on the American wars in Vietnam and Iraq are available and where for public consumption it also considers whose war experiences are not represented are minimized or ignored in ways that advantage contemporary militarism In looking at how professional curators ordinary civilian curators and veteran and civilian writers exhibit the American wars in

Vietnam and Iraq Sylvester shows that war authority is widely dispersed and nonconsensual By looking beyond official renditions of a war scholars policymakers and other citizens are able to grasp war as a violent rather than abstractly heroic mode of politics *The Good War's Greatest Hits* Philip D. Beidler,1998 The glow of 1945 persists as a kind of beacon for American society symbolic of an era when good and evil were easily defined This image is at the center of Philip D Beidler s entertaining look at the way World War II reshaped American popular culture The legend of the Good War was fostered by wartime propaganda and reinforced in the aftermath of victory through books the news media movies songs and television Beidler captures the aura of the times as he chronicles the production histories of more than a dozen projects with wartime themes examining how books and plays evolved into films how stars were considered and selected technical problems and personality conflicts during production and the public s reactions From the upbeat tempo of the musical *South Pacific* to the weary disillusionment of *The Best Years of Our Lives* from the patriotic nostalgia of *Life s Picture History of World War II* to the moral ambiguity of *From Here to Eternity* a powerful mythology of the war developed As a consequence the line between fact and fiction has blurred for the war generation and its inheritors and Hollywood s version of the Good War has become enshrined as historical fact in the nation s collective memory *The Companion to Southern Literature* Joseph M.
