Righting A Wrong Japanese Americans And The Passage Of The Civil Liberties Act Of 1988:

Righting a Wrong Leslie Hatamiya,1994-10-01 In December 1982 a congressionally created commission concluded that the incarceration of 120 000 Americans of Japanese ancestry during World War II was the result of racism war hysteria and failed political leadership This book offers a case study of the political institutional and external factors that led to the passage of the Civil Liberties Act of 1988 which demanded redress for the surviving internees **Manzanar National Historic Site, California** Harlan D. Unrau,1996 *Increasing Multicultural Understanding* Don C. Locke,Deryl F. Bailey,2013-09-17 *Increasing Multicultural Understanding* Third Edition provides the necessary tools to foster positive and productive relationships among culturally diverse populations Authors Don C Locke and Deryl F Bailey encourage readers to explore their own cultural background and identity and in the process begin to better understand others A best seller in the first and second editions this revised and expanded third edition continues to present its classic framework for critical observation with at least 10 elements including the history of oppression religious practices family structure degree of acculturation poverty language and the arts racism and prejudice sociopolitical factors child rearing practices and values and attitudes *The Human Tradition in California* Clark Davis,David Igler,2002-08-01 With a land mass one and half times larger than the United Kingdom a population of more than thirty million and an economy that would rank sixth among world nations the history of the state of California demands a closer look *The Human Tradition in California* captures the region s rich history and diversity taking readers into the daily lives of ordinary Californians at key moments in time These brief biographies show how individual people and communities have influenced the broad social cultural political and economic forces that have shaped California history from the pre mission period through the late twentieth century In personalizing California s history this engaging new book brings the Golden State to life About the Editors Clark Davis has written extensively about California and its colorful history His work has appeared in the Los Angeles Times and Pacific Historical Review He is a professor of history at California State University Fullerton David Igler is a long time historian of California history and culture He has presented for the Western Historical Association the Pacific Coast Branch of the American Historical Association and the California Studies Association Dr Igler is professor of history at the University of Utah **The Long Afterlife of Nikkei Wartime Incarceration** Karen M. Inouye,2018-03-13 *The Long Afterlife of Nikkei Wartime Incarceration* reexamines the history of imprisonment of U S and Canadian citizens of Japanese descent during World War II Karen M Inouye explores how historical events can linger in individual and collective memory and then crystallize in powerful moments of political engagement Drawing on interviews and untapped archival materials regarding politicians Norman Mineta and Warren Furutani sociologist Tamotsu Shibutani and Canadian activists Art Miki and Mary Kitagawa among others Inouye considers the experiences of former wartime prisoners and their on going involvement in large scale educational and legislative efforts While many consider wartime imprisonment an isolated historical moment Inouye shows how imprisonment

and the suspension of rights have continued to impact political discourse and public policies in both the United States and Canada long after their supposed political and legal reversal In particular she attends to how activist groups can use the persistence of memory to engage empathetically with people across often profound cultural and political divides This book addresses the mechanisms by which injustice can transform both its victims and its perpetrators detailing the dangers of suspending rights during times of crisis as well as the opportunities for more empathetic agency **In Defense of Internment** Michelle Malkin,2004-07-01 The author of *Invasion* argues that the internment of ethnic Japanese during World War II was the result of real national security concerns just as the Bush administration s moves to interrogate track and deport suspected terrorists is moderate and restrained **Nisei Radicals** Diane C. Fujino,2020-12-31 A dual biography of unruly activism that spans national and racial boundaries Demanding liberation advocating for the oppressed and organizing for justice siblings Mitsuye Yamada 1923 and Michael Yasutake 1920 2001 rebelled against respectability and assimilation charting their own paths for what it means to be Nisei Raised in Seattle and then forcibly removed and detained in the Minidoka concentration camp their early lives mirrored those of many second generation Japanese Americans Yasutake s pacifism endured even with immense pressure to enlist during his confinement and in the years following World War II His faith based activism guided him in condemning imperialism and inequality and he worked tirelessly to free political prisoners and defend human rights Yamada became an internationally acclaimed feminist poet professor and activist who continues to speak out against racism and patriarchy Weaving together the stories of two distinct but intrinsically connected political lives *Nisei Radicals* examines the siblings half century of dedication to global movements including multicultural feminism Puerto Rican independence Japanese American redress Indigenous sovereignty and more From displacement and invisibility to insurgent mobilization Yamada and Yasutake rejected stereotypes and fought to dismantle systems of injustice **Voices Raised in Protest** Stephanie Bangarth,2008-07-01 The uprooting and confinement of Japanese Americans and Japanese Canadians during the Second World War constituted the worst violations of citizenship rights in twentieth century North America *Voices Raised in Protest* examines the meaning and impact of these actions and how they diverged in Canada and the United States Many North Americans opposed their governments wartime policies toward their fellow citizens of Japanese extraction In this timely book Stephanie Bangarth studies the efforts and discourse of anti internment advocates and discusses the various cases they brought before the courts Persons of Japanese ancestry were also active in their own defence Their critiques of the removal and deportation policies were seminal examples of a growing general interest in civil rights and would provide a foundation for rights activism in subsequent years *Voices Raised in Protest* offers valuable perspective for today s debates over ethnic and racial profiling treatment of enemy combatants and tensions between civil liberty and security imperatives It will be of interest to activists and general readers as well as to scholars and students in history law politics and Asian Canadian American studies **Japanese Americans** Paul R. Spickard,2009 Since 1855 nearly

half a million Japanese immigrants have settled in the United States and today more than twice that number claim Japanese ancestry. While these immigrants worked hard, established networks and repeatedly distinguished themselves as entrepreneurs, they also encountered harsh discrimination. Nowhere was this more evident than on the West Coast during World War II when virtually the entire population of Japanese Americans was forced into internment camps solely on the basis of ethnicity.

Pilgrimage as Transformative Process Heather A. Warfield, Kate Hetherington, 2018-11-26

The construct of transformation has emerged as a prominent theme in academic discourse. Based on the accepted notion that processes and living organisms are in an ongoing state of development, it is unsurprising that this concept of transformation would find resonance within literature on the pilgrimage phenomenon. Examples of transformational processes intersecting with pilgrimage are the movement from sickness to wellness, from grief to closure, and from fractured to integrated. That the pilgrimage journey itself can be construed as a transformational quest was noted by Winkleman and Dubisch (2005), who stated: "Life-transforming experiences are at the core of both traditional and more contemporary forms of pilgrimage." In the current volume, Warfield and Hetherington examine the transformational process of pilgrimage journeys. Contributors are Sharenda Holland, Barlar Anne M. Blankenship, Valentina Bold, Shirley du Plooy, Alexandria M. Egler, Miguel Tain Guzman, Kate Hetherington, Scott Libson, Chadwick Co. Sy, Su Kip Redick, Roy Tamashiro, and Heather A. Warfield.
