Rights Of Aliens:

The Rights of Aliens David Carliner, 1977 **Rights of Aliens Under the Federal Constitution** Norman Alexander, 1931 **The Encyclopedia of Civil Liberties in America** David Schultz, John R. Vile, 2015-04-10 Driven by the growing reality of international terrorism the threats to civil liberties and individual rights in America are greater today than at any time since the McCarthy era in the 1950s At this critical time when individual freedoms are being weighed against the need for increased security this exhaustive three volume set provides the most detailed coverage of contemporary and historical issues relating to basic rights covered in the United States Constitution The Encyclopedia of Civil Liberties in America examines the history and hotly contested debates surrounding the concept and practice of civil liberties It provides detailed history of court cases events Constitutional amendments and rights personalities and themes that have had an impact on our freedoms in America The Encyclopedia appraises the state of civil liberties in America today and examines growing concerns over the limiting of personal freedoms for the common good Complete with selected relevant documents and a chronology of civil liberties developments and arranged in A Z format with multiple indexes for quick reference The Encyclopedia of Civil Liberties in America includes in depth coverage of freedom of speech religion press and assembly as outlined in the first amendment protection against unreasonable search and seizure as outlined in the fourth amendment criminal due process rights as outlined in the fifth sixth seventh and eighth amendments property rights economic liberties and other rights found within the text of the United States Constitution Supreme Court justices presidents and other personalities focusing specifically on their contributions to or effect on civil liberties concepts themes and events related to civil liberties both practical and theoretical court cases and their impact on civil liberties Immigration Laws and Rights of Aliens William Weinstein, 1926 The Human Rights of Aliens under International and Comparative Law Carmen Tiburcio, 2021-10-18 This volume deals with the basic human rights of aliens from the perspective of international and comparative law It examines the rules regarding treatment of aliens and the extent to which these rules have been adopted in the domestic legislation of more than 40 different states It aims to achieve two basic goals 1 to define the status of aliens under international law that is which rights are granted to every person by international instruments and 2 to establish whether this set of rules has been adopted by the domestic legislation of the states under review The author classifies the basic human rights of aliens into seven different categories namely 1 fundamental rights 2 private rights 3 social and cultural rights 4 economic rights 5 political rights 6 public rights and 7 procedural rights For each of these categories she reviews opinions of international legal commentators decisions of international and regional tribunals as well as national legislation domestic court decisions and opinions of local authorities **The Right of an Alien to be Protected against Arbitrary Expulsion in International Law** Julia Wojnowska-Radzińska, 2015-03-20 In The Right of an Alien to be Protected against Arbitrary Expulsion in International Law Julia Wojnowska Radzińska offers a comprehensive legal study of international legal

obligations of States for the protection of aliens lawfully residing against arbitrary expulsion It also provides practical information on administrative proceedings legal remedies and procedural rights aliens exercise The book aims at answering a fundamental question how to strike a balance between the inherent right of a State to expel an alien and the rights the latter is entitled to The reader will therefore be given a survey of the subject that is both usefully brief and sufficiently detailed to answer most questions likely to arise in any pertinent legal setting Human Rights of Aliens in Europe ,1985-11-04 This book is a record of the proceedings of a colloquy on Human Rights of Aliens in Europe The Colloquy was organised by the Secretariat General of the Council of Europe and held in Madiera Portugal from the 17 to 19 October 1983 The three themes of the Colloquy were the admission of aliens into the territory of the host country and their residence there participation of aliens in public affairs political and associative life and the fact that aliens belong to various cultures and the tension which this creates Separate sessions were devoted to each theme On the admission of aliens to the territory of the host country and his residence there it was proposed by one participant that only real as opposed to fictitious families should be considered as eligible to the special consideration of family reunification in the refugee admission procedure of states It was pointed out however that it is far from easy to come to a clear definition of the family Discussion also touched on the right of aliens to have the assistance of an interpreter for legal civil criminal and administrative proceedings the relation of asylum and extradition and what measures could be taken within the Council of Europe to promote better compliance on the part of states to European Conventions On the participation of aliens in public affairs there was discussion on the right of aliens especially of migrant workers to vote at the local level and the question of participation in home elections while abroad Discussion on the third theme centered upon whether government immigration policy and the treatment of resident aliens should be based on a concept of aliens as being a threat to the European society or whether the contact between peoples brought about by immigration could result in mutually beneficial changes *Proceedings of the American Society of International Law at Its Annual Meeting* American Society of International Law,1910 *Civil and Political Rights in the United States* ,1994 The Railway Maintenance of Way Employes Journal ,1922
