Children's Lives in an Era of Children's Rights Afua Twum-Danso Imoh, Nicola Ansell, 2014-01-03 The Convention on the Rights of the Child CRC which was adopted unanimously by the United Nations General Assembly in 1989 marked a turning point in the perception of children in international law and policy Although it was hoped that the Convention would have a significant and positive impact on the lives of all children this has not happened in many parts of the world This edited volume based on empirical research and Non Governmental Organisation project data explores the progress of the Convention on the Rights of the Child and to a lesser extent the African Charter on the Rights and Welfare of the Child in nine African countries in the 25 years since it was adopted by the UN General Assembly The book considers the implementation of the Convention both in terms of policy and practice and its impact on the lived experiences of children in societies across the continent focusing on specific themes such as HIV AIDS education and disability child labour witchcraft stigmatisation street children parent child relationships and child participation The book breaks new ground in blending legal and social perspectives of the experiences of children and identifies concrete ways forward for the better

implementation of the CRC treaty in the various political contexts that exist in Africa **Sociology of Families** David M Newman, Elizabeth Grauerholz, 2002-02-19 Sociology of Families Second Edition begins at the level of the individual by examining familiar contemporary issues topics students are likely to feel strongly about David Newman and Liz Grauerholz next show students the deeper and more detailed sociological underpinnings of the issues at hand using the theories and data of social sciences to understand the meaning and broader relevance of these controversies and experiences **Child**

Nurturing in the 1980s Robert Boger, 2013-11-11 Child Nurturing in the 1980s follows upon a series of lectures presented at Michigan State University in conjunction with the university's celebration of the International Year of the Child The chapters although far from an inclusive set outline childrearing perspectives issues and concerns relevant to the 80s and beyond The authors have used different styles ranging from empirical review to essay The book is designed to provide those concerned with the nurturing of children in the United States with perceptions of what is and what could be The initial chapter by Edward Zigler sets the stage for comments related to specific areas and modalities of child nurturing concerns for the decade Some of the chapter authors are more futuristic than others in their perspective but all have focused upon issues judged to be focal for those concerned with the nurturing of children in this culture during this period of our history The book is not addressed specifically to those who would set policy or those who would implement it Rather it is hoped that it can be read with benefit by a wide range of individuals including but not limited to parents faculty members child care workers and child agency personnel The editors wish to extend our appreciation to many individuals who made this effort possible Funding of the IYC program was provided through the International Year of the Child Committee under the most
