Ring Of The Islander:

Ring of the Islander Jason Brandenburg, 2000-01-20 The Ring Of The Islander sparks the beginning of the long journey of Davin Reeds an orphaned boy and aspiring fisherman who found a unique ring Though he stayed clear of danger and wished only a simple satisfying life he was already the target of Mengen Rale the ruthless and bloodthirsty Lord of a dark army that spewed forth from the Backlands where no man had tread for centuries Davin s life is changed dramatically when his long lost brother comes for him and takes him off the vast island of beauty known as Vellia and goads him into the war torn rebellion in progress of the southern lands of Yallis Battling against Lord Rale s second in command Risick Kien a cruel unfeeling man who lives to profit himself he learns his part and what he must do in order to save his homeland of Vellia and end the war The books of Magic hold the key to the world forgotten and Rale is scourging the Frontlands in search of the four books and the fifth and most dangerous book the Book of Change With the assistance of a female rebel captain Vessiana and a strong intelligent General Davin fights to reclaim what was once the free kingdoms of Yallis In Teranor the sister continent a small group of rebels in the Mengen capital begin organizing a plan which cannot be executed without finding the man with the ring Journeying through climactic battles in Airedyne and dodging bounty hunters in the mountain valleys they find a Mengen campsite where something odd is happening In the first book of the Divided Children Chronicles Ring Of The Islander follow the heroes of the Frontlands as they come to realize their true potential while others reveal their true greed and cowardice and the beginning of the massive quest unfolds

Covenant mentioned three kinds of spheres many crystalbs few sun jewels and one ovivium Found in beach sand white crystalbs were first thought to be magic turtle eggs They provide daily reminder that Swordfish Island was not simply a tropical paradise Just picking one up caused a little burst of joy that relieved mental stress In lovemaking a crystal shared provided an emotional bridge between mates bringing them to simultaneous rapture A colored crystal joined with a sun jewel began a process of rejuvenation that reset the person s biological clock to age twenty Due to the limited numbers of sun jewels there was a conflict over who would rejuvenate The islanders had many questions Why weren t there more sun jewels What was the purpose of the ovivium What did these benefits cost *The Lost Colony and Hatteras Island* Scott

Dawson,2020-06-15 New archeological discoveries may finally solve the greatest mystery of Colonial America in this history of Roanoke and Hatteras Islands Established on what is now North Carolina s Roanoke Island the Roanoke Colony was intended to be England s first permanent settlement in North America But in 1590 the entire population disappeared without a trace The only clue to their fate was the word Croatoan carved into a tree For centuries the legend of the Lost Colony has captivated imaginations Now archaeologists from the University of Bristol working with the Croatoan Archaeological Society have uncovered tantalizing clues to the fate of the colony In *The Lost Colony and Hatteras Island* Hatteras native and amateur archaeologist Scott Dawson compiles what scholars know about the Lost Colony along with what scholars have found beneath the soil of Hatteras **The Islander** Charles Whittlesey,2007-08-01 In 2155 there are two Americas one for the wealthy and one for the poor The wealthy control most of the land and all the technology while the poor lead short and squalid lives confined to the remnants of America s collapsed cities known as Islands The two cultures collide when Galen Fairchild a young Islander falls in love with Mata Vandermere the daughter of a prosperous family from the modern city of Stratis Like Romeo and Juliet Galen and Mata struggle to stay together in the face of daunting opposition from family friends and many other forces Their troubles finally lead them into the ghostlike ruins of downtown Minneapolis where no Islander dares to go Inside the crumbling skyscrapers they discover a strange power linked to Galen s past which not only changes his life forever but also pits the two cultures against each other with cataclysmic results From author s website *Kelleys Island* Leslie Korenko,2009 A comprehensive richly detailed and surprisingly entertaining history of Kelleys Island a small
