Ring Of Thieves:

Ring of Thieves Richard Prescott, 2005-01-01 A mystery story with many twists and turns Our hero suffers amnesia after being attacked and robbed but he has to regain his memory in order to find his property The action moves excitingly between the English Midlands and the diamond broking houses of Amsterdam English center
As Thick As Thieves Richard O Smith, 2013-09-02 Standing in an ID parade of incompetence waiting to be picked out as Britain's stupidest criminal we've assembled a line up of bungling burglars asinine assailants and thick thieves Dipping their stolen bucket of opportunity into the well of other people's stuff only to fall into the well themselves and get the bucket stuck on their head this book chronicles the crimes against common sense committed by these dim witted deviants Also featured in this compendium of criminal idiocy are the bank robber who used a No 72 bus as his getaway vehicle it was almost as though the police knew where he was headed to next the bag snatcher who robbed an elderly lady of the bag she'd just used to clear up responsibly after her dogs and the burglars who left their four year old son and a wallet containing full ID at the crime scene Also rounded up for routine questioning are the bank robbers who gifted the police a dropped map marking the preferred route from bank to hideout and armed robbers who raided a laundry van to steal used towels whilst their intended target a wages van drove slowly past Charged with being in possession of an idiotic plan and sentenced to a life term of stupidity they're reversing the getaway vehicle into a police car and handing over their belt to the custody sergeant with the inevitable consequence of their trousers falling down As thick as thieves indeed It's a case admittedly a rather easy one for the police to dial M for Muppet This is an ideal gift book that will make you laugh out loud **ASIAN HIGHLANDS PERSPECTIVES**
