Ringling The Florida Years 1911 1936:

Ringling David C. Weeks,1993-10-01 John Nicholas Ringling s years in Sarasota spanned the final quarter century of his life On Florida s west coast as the Ringling s Circus became the greatest show on earth he collected Baroque paintings European decorative art and Italian statuary built the ostentatious mansion Ca d Zan developed and marketed most of the barrier islands around Sarasota Bay and became the focus of a confusing pastiche of acclaim misconception and suspicion Sarasota s Ringling Museum is his priceless cultural legacy to the people of Florida and the world of art an inheritance at risk for the ten years that Ringling s estate was in probate The author of this first intensive look at Ringling s presence in Sarasota sets the man against the backdrop of Florida from World War I through the land boom and the turbulent twenties into the depression years and Ringling s lapse into obscurity Illustrated with nearly fifty black and white photographs many never before published this is the chronicle of a man as the foreword claims who was not afraid to think or live on a grand scale who knew what he wanted from life and from art

Ringling David Chapin Weeks,1993 Profiles the years that John Nicholas Ringling spent in Florida and describes the area s economy during the early part of the 20th century **Ringling** David Chapin Weeks,1988
