Violent Utopia Jovan Scott Lewis,2022-08-08 In *Violent Utopia* Jovan Scott Lewis retells the history and afterlife of the 1921 Tulsa race massacre from the post Reconstruction migration of Black people to Oklahoma Indian Territory to contemporary efforts to rebuild Black prosperity He focuses on how the massacre in Tulsa s Greenwood neighborhood colloquially known as Black Wall Street curtailed the freedom built there Rather than framing the massacre as a one off event Lewis places it in a larger historical and social context of widespread patterns of anti Black racism segregation and dispossession in Tulsa and beyond He shows how the processes that led to the massacre subsequent urban renewal and intergenerational poverty shored up by nonprofits constitute a form of continuous slow

violence Now in their attempts to redevelop resources for self determination Black Tulsans must reconcile a double inheritance the massacre s violence and the historical freedom and prosperity that Greenwood represented Their future is tied to their geography which is the foundation from which they will repair and fulfill Greenwood s promise *The Parliamentary Debates (official Report)*. Great Britain. Parliament. House of Commons,1923 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament
