tragic and miraculous experiences through these poems that illuminate near misses of tragedy and transcendence His gaze is both roving and microscopic the Challenger explosion Bigfoot a love letter written from inside a missile silo a mother naming and re naming a family s short lived pets and a plea for post 9 11 redemption Lantz never lets his subjects or his readers off the hook plunging head first into worlds that are both eccentric and familiar alarming and hopeful Finalist Foreword Magazine s Poetry Book of the Year **The** Barbara Goldberg,2008-02-19 Winner of the 2008 Felix Pollak Prize in Poetry selected by David St John These poems at once elegant and earthy reveal the inner workings of the human psyche and show us that sometimes the best defense against terror is making mischief The Royal Baker s Daughter was raised on a diet of stone soup and the occasional leftover royal treat This leaves her with an appetite for authenticity With nothing but her two deft hands to guide her she embarks on a journey into the dark forest where sticks and stones and absolutes reign and nothing even sin is original Best Fall book from the Montserrat Review [A Sail to Great Island](#) Alan Feldman,2004-10-05 The first full length collection in many years by an award winning poet whose work has appeared in The Atlantic The New Yorker The Nation Poetry The Kenyon Review The Threepenny Review and a host of other journals **About Crows** Craig Blais,2013-05-17 An unsentimental and at times disquieting first collection the poems of About Crows excavate self family race location sex art and religion to uncover the artifacts of a succession of traumas that the speaker does not always experience firsthand but carries with him to refashion into some new importance This is a book of half states broken affiliations and dislocation The speaker leads the reader through the fragments of a flooded town that grows increasingly elusive the more one looks for it through a succession of Seoul love motels that further displace the outsider to unclaimed margins transformed into sites of creative invention through galleries of artwork where movement color and image are renewed through ekphrasis and through the world of the metatextual long poem The Cult Poem where good and bad moral binaries tangle into a rat s nest of our best and worst spiritual ambitions The poems and sequences of About Crows are marked by their artistic balance of the sublime and the profane of polyphony syntactical complexity clashing images cagey humor and unsettling sincerity all trying desperately to connect **The Year We Studied Women** Bruce Snider,2003 In this intimate first collection Bruce Snider explores the intricacies of memory loss and identity in poems about everything from algebra to sperm to lipstick A farmer finds the body of a dead child a boy watches his mother get ready for a date a woman with cancer shops for a wig an overweight sister shares a cupcake with her little brother In the book s longest and most complex poem a tarot card reading excavates the relationship between a son and his distant often violent father Sometimes funny always big hearted and inventive Snider catalogues the minutiae of daily life with language that is plainspoken yet strongly imagistic weaving together both public and private moments as he maps one man s longing for transformation It s an attempt to reconcile it all past and present fear and desire self and sexuality making the barest symbols of maleness and femaleness into their own deeply personal language
