Ripe Old Age Sermons On Growing Older In The Lord:

Holidays Are Holy Days Alex A Gondola Jr, Alex A. Gondola, 2004 Almost every month in the year has a secular holiday and on those special Sundays preachers need to balance honoring the occasion with maintaining their focus on the proclamation of God's Word. It can be a challenging task but it also presents a great opportunity to uncover the religious significance of our civic celebrations. In this extensive volume of inspiring messages Alex Gondola draws on the rich variety of American culture and scriptural insight to remind us that holidays truly are holy days. Great for personal reading, adult study groups, or fresh sermon ideas, *Holidays Are Holy Days* is a versatile resource that you'll draw on throughout the year. Sermons are included for New Year's Day, Martin Luther King Day, Super Bowl Sunday, Valentine's Day, Presidents Day, St. Patrick's Day, April Fool's Day, Earth Day, Mother's Day, Memorial Day, Father's Day, Independence Day, Labor Day, Grandparent's Day, Columbus Day, Indigenous Peoples Day, Halloween, All Saints, Reformation Sunday, Veterans Day, Thanksgiving, Christmas. How does one avoid simplistic even overly sentimental preaching and yet address themes that are important to many American churchgoers? In this book Alex Gondola masterfully navigates his way into insightful sermons on themes which often tax the imagination of excellent preachers. Novice and seasoned preachers will benefit from this book and all persons who read it will be inspired. Benjamin Griffin, President Emeritus, Andover Newton Theological School. This is biblical preaching in the best sense: informative, creatively theological, challenging, invitational, occasionally wry, always participatory and faithful to the God whose interests inform every page. In these sermons Gondola weaves hard data, history, and practical theology in the service of challenging Christians to live faithfully in the 21st century. Nancy S. Taylor, Minister and President, Massachusetts Conference, United Church of Christ. Designed for those special days in our civil religion that preachers often find challenging, these expertly crafted sermons make an intelligent creative use of scripture that demonstrates the relevance of those ancient texts to the present day. Filled with stories from everyday life, they reach both the head and the heart and they have a social conscience. Kenneth Cauthen, John Price Crozer Griffith Professor of Theology Emeritus, Colgate Rochester Crozer Divinity School. Author of *Rejoicing in Life's Moments*. Alex A. Gondola Jr is senior pastor of St. Paul United Church of Christ in Wapakoneta, Ohio. He previously served Dennis Union Church in Dennis, Massachusetts. A graduate of Allegheny College, B.A., Andover Newton Theological School, M.Div., and Colgate Rochester Divinity School, D.Min., Gondola has also studied at Hartford Seminary and the New College of Divinity of the University of Edinburgh, Scotland. He is the author of *Come As You Are*, *Pray Like This*, and *Don't Forget the Child*, CSS, and also contributed several stewardship sermons to the CSS anthology *From Every Angle*. **Sermons** Henry Ward Beecher, 1868 **Sermons by Henry Ward Beecher, Plymouth Church, Brooklyn** Henry Ward Beecher, 1868 [Sermons on 1st John](#) Pastor Greg Barkman, 2024-07-02 There is no information available as of this time **Aging 2000: Our Health Care Destiny** Charles M. Gaitz, G. Niederehe, N.L. Wilson, 2012-12-06 The seventeenth annual symposium sponsored by the Texas Research Institute of Mental Sciences was

held October 23-26, 1983 in Houston, Texas. The theme was Aging 2000: Our Health Care Destiny. This volume on social psychological, economic and ethical aspects and a companion volume Volume I on biomedical aspects include edited versions of the presentations by about 80 speakers. Their papers were directed at practitioners, researchers and medical educators who will be active and productive in the year 2000 and we focused on those who would influence the evolution of care of elderly persons during the next 17 years. We chose topics that would be of particular interest to teachers and current planners in the disciplines concerned with delivery of health and social services. We believe that having a core of more qualified and better trained practitioners will help the population of aged persons achieve a higher level of physical and mental health, life satisfaction and happiness, find better coping techniques and control of environmental stresses and attain personal and social goals. Our Goals. While preparing for the symposium we knew that the status of the art in 1983 obviously would be the base from which we would work but we asked our speakers to give priority to future planning and directions.

Discusses the role of play in a relationship with God, describing how joy, creativity and enjoyment are important elements of the spiritual life. *Lessons from God's flower garden, the substance of flower sermons*. Ed. by R. Jay William Meynell Whittemore, 1894. The Journey of Life Thomas R. Cole, 1992-11-27. The Journey of Life envisions growing up and growing old as a voyage down a river flowing inexorably to the sea. With this image of the human life cycle, the author explores the historical shoreline of later life, charting its cultural forms and sounding their depths. The result is both a cultural history of aging and a contribution to public dialogue about the meaning and significance of later life. The core of the book shows how central texts and images of Northern Preaching with a Plan Scott M. Gibson, 2012-03-01. Every pastor wants the sermon to be an important tool for maturing those listening in the pews. Having a preaching plan is an essential part of this process. If a preacher's messages are scattered, unrelated to one another or haphazardly prepared, it can be difficult for those in the congregation to make connections to aid their spiritual growth. Preaching with a Plan encourages and equips pastors to develop a cohesive preaching plan to guide their choice of Scripture topics and concepts on which to expound on Sunday mornings. It answers four critical questions for pastors including: Who plans preaching? Why should I plan my preaching? What kinds of preaching plans are available? How do I put together a preaching plan? Moving quickly from theory to practice, Preaching with a Plan helps pastors develop an entire year's worth of sermons designed to educate, enrich and nurture mature believers.
