Rising Sun Blinking A Young Boys Memoirs Of The Japanese Occupation In The Philippines:

Rising Sun Blinking Jose Maria Lacambra, 2010-03-11 In the middle of 1942 the Japanese landed in Iloilo deep in the heart of the Philippine Archipelago Earlier like a skittish octopus the Japanese Empire had spread its tentacles across the islands after the last American strongholds of Bataan and Corregidor had fallen Jose Lacambra was only eleven years old when the Japanese occupied Iloilo His firsthand account of the adventures and rites of passage were drawn from a diary he kept during those war years With wry wit and a sharp memory for detail he re creates the horror adventure and excitement of those unforgettable years describing them all with a novelists skill and style The Other Empire Ronald D. Klein, 2008 In this survey of literary images of Japan Ronald Klein has identified more than 160 works with Japanese characters providing both comprehensive overviews as well as individual monographs on specific writers This book creates a subgenre of thematic work positing an alternative postcolonial relationship Inside the Bataan Death March Kevin C. Murphy, 2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama

Blood on the Rising Sun Adalia Marquez|Adalia Marquez, 2019 The Occupation Kelly S. Medina, 2009-10 While this book is about the experience and life of the author during the Japanese occupation in the Philippines until the termination of the Second World War in the Philippines it begins with the simple life of Filipino people before the arrival of the Spaniards in the early 1500s and the Spanish regime that concluded after the arrival of the Americans and thereafter the Japanese occupation The story is related by a boy who has a firsthand experience of the war and his observation of the ruthless treatment of Japanese soldiers toward the Filipino civilian which started right after they set foot on Philippine soil This book also includes an interview of old acquaintances who shared their own war experiences I am greatly indebted to the authors and publishers of the sources from which the material for this work was taken and to those who made themselves available for my interviews and otherwise assisted me in completing this book I am particularly grateful to Mr James Helt and Mrs Sandra Helt for helping me in editing this book The photographs used in this book are from the National Archives Washington D C and also from the By Sword and Fire by Alfonso J Aluit The Guerrilla Resistance Movement in the Philippines

Manousakis, Zen II Books, 2010-06-01 Many books have been written about World War II on the European front but few have focused on the simultaneous events that occurred in the Pacific This factual narrative was originally written in 1945 and adapted for publication in 2010 Written by a Filipino patriot who fought alongside U S troops against the Japanese war machine in the battle to win back the Philippine Islands Dr Jose Ma Hernandez was a scholar an educator a writer and a believer in the democratic freedom of man He lived first hand the events related here from the pre war period the expansion of the war to Southeast Asia after the bombing of Pearl Harbor the Japanese occupation of the Philippines and its long awaited liberation This perspective of the war is unique because life at that time was lived and observed by the eyes and mind of a man of the people this is a recounting of the truth of war as he and his fellow countrymen experienced it *Blood on the Rising Sun: The Japanese Invasion of the Philippines* Adalia Marquez, Carlos P.
