Rising From The Flames The Experience Of The Severely Burned:

Rising from the Flames Albert Howard Carter, Jane Arbuckle Petro, 1998-03-29 Although medical advances have remarkably increased the survival rate of the severely burned such patients still encounter physical and psychological pain and disability disfigurement and social rejection *Rising from the Flames* examines the experience of the severely burned as survivors confront it not just as a medical event but as a human ordeal involving social cultural psychological and medical trauma It discusses the causes of burns the physiology of injury and healing the forms of isolation burn patients endure and the cultural meaning attached to burns and burned persons *Life Care Planning and Case Management Handbook* Roger O. Weed, Debra E. Berens, 2018-09-03 Life care planning is an advanced collaborative case management specialty practice focused on assessing evaluating coordinating consulting planning for and monitoring necessary services for individuals with complex medical care needs over their lifetime This handbook provides a comprehensive resource for all people involved with catastrophic impairments and chronic medical care case management The *Life Care Planning and Case Management Handbook* Fourth Edition begins by defining the roles played by each of the key team members working with the life care planner It provides planners with insights critical to successful interactions with medical and health care related professionals as well as the team members they are most likely to encounter as they work to build an accurate and reliable life care plan Next the text offers up to date information on the medical conditions most frequently encountered by the life care planner The contributors who are recognized experts in their disciplines also address issues in forensic settings ethics standards research and credentials The fourth edition includes numerous chapters on general issues as well as updated standards of practice from the International Academy of Life Care Planners IALCP *Life Care Planning Consensus Statements* and valuable step by step charts and checklists Completely updated and expanded this revised handbook now includes new chapters on multicultural considerations in life care planning admissibility of life care plans in U S courts and Canadian life care planning practice Additionally infused in other chapters is new information on medical coding and costing for life care planners life care planning in non litigated contexts as well as research and education within life care planning *The Richmond Theater Fire* Meredith Henne Baker, 2012-03-14 On the day after Christmas in 1811 the state of Virginia lost its governor and almost one hundred citizens in a devastating nighttime fire that consumed a Richmond playhouse During the second act of a melodramatic tale of bandits ghosts and murder a small fire kindled behind the backdrop Within minutes it raced to the ceiling timbers and enveloped the audience in flames The tragic Richmond Theater fire would inspire a national commemoration and become its generation s defining disaster A vibrant and bustling city Richmond was synonymous with horse races gambling and frivolity The gruesome fire amplified the capital s reputation for vice and led to an upsurge in antitheater criticism that spread throughout the country and across the Atlantic Clerics in both America and abroad urged national repentance and denounced the stage a sentiment that nearly destroyed theatrical entertainment in Richmond for

decades Local churches by contrast experienced a rise in attendance and became increasingly evangelical In *The Richmond Theater Fire* the first book about the event and its aftermath Meredith Henne Baker explores a forgotten catastrophe and its wide societal impact The story of transformation comes alive through survivor accounts of slaves actresses ministers and statesmen Investigating private letters diaries and sermons among other rare or unpublished documents Baker views the event and its outcomes through the fascinating lenses of early nineteenth century theater architecture and faith and reveals a rich and vital untold story from America's past

The Oriental Obscene Sylvia Shin Huey Chong, 2012 This book explores the impact of media representations of violence during the Vietnam War on people in the U S specifically how images of violence done to and by the Vietnamese were traumatic in ways that deeply affected the American psyche

Original Skin Maryrose Cuskelly, 2011-05-17 Like the air we breathe we take our skin for granted Yet it is remarkable it mitigates and ameliorates the sometimes harsh world we dwell in and is at the interface of so much of what we encounter It is our border the edge of ourselves the point where we meet our universe Original Skin is at times a scientific study remarking on the biological magic behind the human body's largest organ At others it becomes an anthropological survey dissecting separate societies attitudes towards bare bodies and the motives behind cultural rituals such as tattoos However Original Skin is above all a celebration of the human body its tone one of absolute awe for the simultaneously protective and fragile membrane that divides us all from the world that surrounds us Maryrose Cuskelly's book in its examinations of everything from tickling to Botox to books bound in human derma is a delightful meditation on skin

Tracing Hospital Boundaries, 2020-04-06 Tracing Hospital Boundaries explores for the first

time how the forces of both integration and segregation shaped hospitals and their communities between the eleventh and twentieth centuries in Europe North America and Africa Within this broad comparative context it also shines a light on a number of case studies from Southeastern Europe The eleven chapters show how people s access to and experience of healthcare institutions was affected by social cultural and economic as well as medical dynamics These same factors intersected with developing healthcare technologies to shape hospital design and location as well as internal policies and practices The volume produces a new history of the hospital in which boundaries both physical and symbolic are frequently contested and redrawn Contributors are Irena Benyovsky Latin David Gentilcore Annemarie Kinzelbach Rina Kralj Brassard Ivana Lazarevi Clement Masakure Anna Peterson Egidio Priani Gordan Ravan i Jonathan Reinartz Jane Stevens Crawshaw David Theodore Christina Vanja George Weisz and Valentina ivkovi **Hospital Social Work** Joan Beder,2013-01-11

Hospital Social Work introduces the reader to the world of medicine and social work as seen through the eyes of actual social workers An essential reference for both students and professionals Over 100 social workers in dozens of hospitals were interviewed to provide the reader with first hand experiences and discussions of practice principles policy considerations and theoretical treatments to provide each chapter with a unique blend of theory and practice Joan Beder a professor of social work and a practicing social worker recently noted an apparent lack of empirical discussion of the actual role and day to day functioning of the medical social worker Hospital Social Work is the result a unique supplemental text for both studying and practicing medical social workers Christ in Egypt D. M. Murdock,Acharya S,2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common
