Apalach Affair Wayne Stinnett, 2025-06-02 Jesse McDermitt is back just as he promised This time he is thrust into the heart of the Florida Panhandle s Tate s Hell State Forest where the tranquil surroundings belie a dangerous secret a network of clandestine meth labs hidden against the backdrop of the Forgotten Coast s natural beauty Jesse a retired Marine turned charter boat captain has brought his family to Apalachicola for the oysters But being who he is the leisurely cruise soon spins into a gripping quest to unravel the truth behind the illicit operations threatening the region As rumors swirl around the waterfront Jesse is propelled into a high stakes game of cat and mouse navigating through a maze of secrets and deception to expose the sinister forces at play With his trademark blend of resourcefulness and determination Jesse uncovers a web of intrigue that threatens to tear apart the fabric of the tight knit community [condor.net](#) James Grady, 2011-11-22 A short story of conspiracy and mayhem by the author of *Six Days of the Condor* reimagining the classic spy thriller in our post 9 11 world In this chilling short story a CIA analyst codenamed Condor is caught in the grip of a conspiracy he can barely understand When he finds something strange linked to a covert operation in Afghanistan he makes the mistake of contacting his superiors Soon after a gunman attacks during an office coffee break killing all but Condor Alone and out of his depth Condor chases the conspiracy while on the run learning quickly that though the Cold War may be over espionage remains a dangerous game This heart pounding spy story continues the adventures of Condor James Grady s unforgettable character immortalized by Robert Redford in the classic film *Three Days of the Condor* and currently portrayed by Max Irons in the all new TV series *Condor* **Military Review** ,1994 [All Ahead Full](#) Wayne Stinnett, 2021-12-06 Jesse McDermitt discovers an environmental nightmare of deception and greed taking place in Central America A cartel is branching into smuggling things other than drugs And they re doing it quite effectively The Honduran rain forests and its inhabitants are at peril The cartel needs hidden places to grow coca used in the manufacture of cocaine The exotic and endangered hardwood trees are cut and sold on the black market along with any creature found dwelling deep in the humid jungle Environmental activists in the area who try to intercede are swiftly dealt with in the manner the cartel deals with anyone who stands between them and the almighty dollar with a sharp machete Having so many moving parts and numerous smuggling routes can Jesse and the crew of *Ambrosia* on a dive vacation in the Bay Islands of Honduras be able to make a difference Or will the beautiful reef surrounding the island of Utila be *Ambrosia* s grave *Fish On!* Wayne Stinnett, 2023-02-28 Jesse McDermitt is finally ready to retire But life has other plans While diving on a remote reef deep in the backcountry of the Florida Keys with his wife son and two friends he discovers of all things a car Not just any car but a 1928 Duesenberg Model J the most powerful and stylish automobile of its time The car was once owned by a Saudi prince who was attempting to develop Johnston Key in the heart of Turkey Basin before Henry Flagler even finished the rail line to Key West But that s not all Jesse discovers and what he finds next will make him the target of one of his own He s been mentoring a young operative who then decides to go rogue and

now it s up to Jesse to find the man and if need be eliminate him before he can hurt anyone else A Seller's Market Wayne Stinnett,2023-09-29 Six months out of high school and just days after finishing Marine boot camp Jesse McDermitt is finally ready to unwind and have a little fun when he goes home on leave But everything Jesse remembers his friends his family the sparkling beaches and familiar waters of the Caloosahatchee River and Pine Island Sound even his faithful Lab Molly have all changed Only when he reunites with a boot camp buddy to explore the reefs of the Florida Keys and the oddly relaxing shallows of the backcountry does Jesse finally understand that it was he himself who had changed The two young men enjoying life in paradise while on boot camp leave soon find out that there are still pirates in those tropical waters Only their galleons and corsairs have been replaced with offshore racing boats and motorcycles **The Synchronicity War Part 3** Dietmar Arthur Wehr,2014-03-08 The Synchronicity War is going badly for the Human Race and its loyal A I allies The 11 000 humans remaining in the Universe are desperately trying to remain undiscovered by their xenophobic alien adversaries while they attempt to rebuild a viable military defense and discover how they re receiving messages from the future But Humans have now been contacted by a third alien race that says they want to help and tells the Humans that the xenophobic aliens aren t the REAL enemy The real enemy is a life form that has a nightmarish biology and is a threat to the entire galaxy What can 11 000 humans do that two other alien races can t do How will two very special A I s ultimately decide the fate of their creators and who will pay the ultimate price for their loyalty *Man Overboard* Wayne Stinnett,2022-07-05 Jesse McDermitt has returned to the Florida Keys But things in the islands are different now The locals are worried but nobody can explain why A sense of foreboding hangs in the humid July air One of the locals an investment banker is waiting tables at the Rusty Anchor Bar and Grill He seems a shell of the man he used to be a hollow man whose fortune and wife are gone He s tight lipped about how he came to be a guest in Rufus s little shack behind the bar Something very sinister is going on Jesse smells it He s usually very good at rooting out the source of a problem but is stumped this time Until another tight lipped hollow man shows up **Wayward Sons** Wayne Stinnett,Stewart Matthews,2021-04-05 Where Jerry Snyder goes trouble follows Someone tried to kill him and his bride on their honeymoon in the Virgin Islands And moving there permanently is proving to be anything but tranquil First he s working for the secretive Armstrong Organization a group dedicated to hunting terrorists drug smugglers and the nastiest criminals since Blackbeard Second his partner is DJ Martin a one legged Airborne vet who has the temperament of a croc with a toothache DJ has never met a nose he couldn t break and he s tested plenty of them When a body washes ashore at an island resort in Culebra a family desperate for help turns to Jerry and DJ Sailing the Caribbean looking for answers their course proves deadlier than either man bargained for And when Jerry s past dealings appear on the horizon the two men have to find common ground to overcome a cunning powerful enemy with a desire more dangerous than murder *Cocaine Cowboys* Wayne Stinnett,2025-07-01 After undergoing many weeks of training during the harsh winter months in the frozen north Jesse McDermitt and Rusty Thurman are ready for some time off their last leave

period in their first year in the Marine Corps Only this time it s not palm trees and sunny tropical beaches they ll be unwinding at but diving in the frigid and treacherous coastal waters off the Outer Banks of North Carolina the famed Graveyard of the Atlantic thought to hold great wealth in the cold embrace of her murky depths The perilous banks with their constantly shifting cuts both far offshore and in Pamlico Sound have been the stronghold of piracy for centuries and thousands of ships lay in their watery graves there Modern pirates don t plunder merchant vessels for gold sugar and silks but instead preyed on all sorts of boaters around the Sound even drug traffickers When Jesse and Rusty along with another Marine run up against the pirates an unlikely partner joins in the fight to tip the odds The OBX has a history as deep and dark as the ocean that surrounds it And all too often man made storms cause just as much havoc as the hurricanes which have lashed her shores
