

The background is a soft, romantic painting of a sunset or sunrise over a body of water. The sky is a mix of warm pinks, oranges, and yellows. The water reflects these colors, and a small boat is visible on the horizon. The overall mood is contemplative and romantic.

It is a risk to love.
But what if it doesn't work out?
Ah, but what if it does.

Risk To Love:

Dangerous Love Jennifer Leigh Syvertsen, 2022-11-01 A free open access ebook is available upon publication Learn more at www.luminosoa.org The relationships between female sex workers and their noncommercial male partners are often assumed to be coercive and anchored in risk dismissed as pimp prostitute arrangements by researchers and the general public alike Yet these stereotypes unjustly erase the complexity of lives we imagine to be consumed by social suffering *Dangerous Love* centers a framework of love to rethink sex workers intimate relationships as commitments to collective solidarity and survival in contexts of oppression Combining epidemiological research and ethnographic fieldwork in Tijuana Mexico Jennifer Leigh Syvertsen examines how individuals try to find love and meaning in lives marked by structural violence social marginalization drug addiction and HIV AIDS Linking the political economy of inequalities along the border with emotional lived experience this book explores how intimate relationships become dangerous safe havens that fundamentally shape both partners well being Through these stories we are urged to reimagine the socially transformative power of love to carve new pathways to health equity

Dangerous Love Ray Norman, 2015-12-01 Ray Norman spent most of his life living in far flung corners of the globe working on long term development projects and living out his calling as a Christian professional By the time he arrived in the Islamic Republic of Mauritania around the turn of the millennium he was veteran of life as an expat at home in countries and cultures not his own But in 2001 the world was about to change and so was Ray s life In the aftermath of 9 11 a time when tensions between Muslim and Western culture were peaking Ray and his daughter Hannah made the short drive from their home to the Mauritanian beach But instead of spending the afternoon enjoying the waves and the water father and daughter found themselves hurtling back to the city each with a bullet hole pumping blood into the floorboards of their jeep *Dangerous Love* is an account of the Normans brush with violent extremism and of the family s unexpected return to Mauritania in the face of terrifying risks This is the story of a call that could not be denied and of a family s refusal to give up on love

Dangerous Love Chad Ford, 2020-06-23 Chad Ford reminds us that humanity lies within all of us and although conflict is everywhere in today s world we have the tools we need to overcome obstacles and to thrive This is a fantastic timely book that I highly recommend Steve Kerr Head Coach Golden State Warriors Knowing how to transform conflict is critical in both our personal and professional lives Yet by and large we are terrible at it The reason says longtime mediator Chad Ford is fear When conflict comes our instincts are to run or fight To transform conflict Ford says we need to turn toward the people we are in conflict with put down our physical and emotional weapons and really love them with the kind of love that leads us to treat others as fellow human beings not as objects in our way We have to open ourselves up with no guarantee that anyone on the other side will do the same While this can feel even more dangerous than conflict itself it allows us to see the humanity of others so clearly that their needs and desires matter to us as much as our own Ford shows dangerous love in action through examples ranging from his work in the Middle East to a deeply moving story about

reconciling with his father He explains why we disconnect from people at the very time we need to be most connected and the predictable patterns of justification and escalation that ensue Most importantly he gives us a path to practice dangerous love in the conflicts that matter most to us Dangerous Love Pat Ballard,2011-06-01 Ava Manning has allowed her heart to be broken once Once is enough She never intends to let anyone get close enough to hurt her again She just wants to do her job as a lab technician at Cloneall Drugs Inc without any complications in her life But after Ava saw some research she wasn't supposed to someone wants her dead And now she has to deal with the Southern talking g dropping charming LAPD detective Ricky Don McKinzie Her life is just beginning to get complicated **Experiments in Love** Emily Ralph Servant,2021-03-12 Could it be that the stories we tell in our churches weaken our efforts to be congregations who take risks in mission for the sake of love In this thought provoking book Emily Ralph Servant suggests that the work of today's leaders is to explore new stories listen to new voices and open ourselves up to the Spirit's work of transformation Experiments in Love engages in a three way dialogue with feminist and liberation theologians the social and behavioral sciences and the Anabaptist tradition Out of this vibrant conversation emerges the story of a God who takes the risk of being radically present to a vulnerable world Because of God's courageous presence with us we can also take the risk of being vulnerably present to others as God invites us all to participate in God's community of life love and flourishing **Dangerous Love: The Bold and the Beautiful Book 4** Ros Baxter,2014-12-01 Donna is convinced that Eric is the man she needs to get her life back on track But then Ridge returns to Forrester Creations determined it seems to tease and taunt her When Donna Eric and Ridge travel to the South of France for a photo shoot Donna thinks that finally Eric is about to reveal his love for her But a yachting accident changes everything *Dangerous Love* Michelle Howard, Zanica would do anything to escape her sadistic leader Even if it meant fleeing the only home she knew and mating with a total stranger The problem Fate dropped her into the path of one of the most ruthless males in the land with a reputation as dark and deadly as his eyes Pazir Catharte hadn't planned on mating when he left that morning for the final hunt of the season Stumbling upon a beautiful female at the edge of his territory changed everything He was the new leader of an unruly lot and problems had plagued him from the start Then the female leaped into his arms and bit him What else was he supposed to do Dangerous Love Pennie Crockett,2020-07-07 This is my story about a woman who thought she had found love but instead would be led down the darkest path to pain despair and unspeakable violence Experience the mind games I endured that taught me that sometimes you have to accept the side of death that comes with the life you've so meticulously ordered This is my mind blowing journey from violence to victory From lost to liberated From debased to in demand Little did I know that in order to find my life's purpose all I needed was to brew in some hot water until reaching full flavor Embark upon this journey with me as I spill all the tea See you on the inside **Love laughs at Locksmiths: a comic opera, in two acts in prose and verse , etc. By G.
