Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 **Irish in Ontario, 1st Edition**
Donald Harman Akenson, 1984-08-01 Hailed as one of the most important books on social sciences of the last fifty years by the Social Sciences Federation of Canada Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson's research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America The Annual American Catalogue ,1892 The Publishers' Circular and Booksellers' Record ,1928 The Annual American Catalogue 1886-1900 ,1892 **Postmemory, Psychoanalysis and Holocaust Ghosts** Rony Alfandary, 2021-07-22 Through the collection of letters sent by members of a Jewish family between 1923 and 1942 this fascinating book explores phenomenological and psychoanalytical aspects of the Holocaust and its associated trauma and the impact on future generations of the same family This book charts a postmemorial study of the Cohen family of Salonica which branched out to Paris and Tel Aviv during the 1920s and 1930s The exploration of the contents of four boxes containing hundreds of letters pictures and other documents portray a microhistory of one family that was once a part of a thriving community Showing how the shadows of trauma can be passed through the generations the book uncovers the tragedies that befell the Cohen family and how the discovery of these materials has affected existing family members In an intriguing work of postmemory research and analysis this book appeals to both scholars of the Holocaust and psychoanalysts interested in the unconscious impact of history **Power Rangers Archive Book Two Deluxe Edition** Tom Bierbaum, Mary Bierbaum, Dan Slott, 2024-03-26 MAY THE POWER PROTECT YOU The Power Rangers legacy stretches far beyond the teenagers from Angel Grove This volume collects action packed stories of some of the most legendary teams Power Rangers Zeo Turbo Rangers Super Samurai Rangers Megaforce Rangers and the classic Mighty Morphin Power Rangers This recharged hardcover collection of the legendary franchise features stories by a team of all star writers including Tom and Mary Bierbaum Legion of Super Heroes and Dan Slott The Amazing Spider Man along with fan favorite artists Todd Nauck Young Justice Ron Lim Silver Surfer and many more Collects Power Rangers Zeo Image 1 Power Rangers Turbo 1 2 Power Rangers Super Samurai 1 2 Papercutz Megaforce 1 2 Papercutz MMPR 1 2 Papercutz FCBD 2014 as well as additional Power Rangers activity pages and letters *Rita's Story* Eugene
