witnesses in a dark alley sparks a chain of events that will take him to the ends of the Earth and beyond where what is real and what is imagined become terribly confused And frankly Huntley couldn't be more pleased Intrigue danger and a beautiful woman in distress just what he needs Raised thousands of miles from England Thalia Burgess is no typical Victorian lady A good thing because a proper lady would have no hope of recovering the priceless magical artifact Thalia is after Huntley's assistance might come in handy though she has to keep him in the dark But this distractingly handsome soldier isn't easy to deceive Scoundrel Book Two London Harcourt's father is bent on subjugating the world's magic to British rule But since London is a mere female he hasn't bothered to tell her so He's said only that he's leading a voyage to the Greek isles No matter after a smothering marriage and three years of straitlaced widowhood London jumps at the opportunity unfortunately right into the arms of Bennett Day Bennett is a ladies man when he's not dodging lethal attacks to protect the powers of the ancients from men like London's father Sometimes he's a ladies man even when he is dodging them But the minute he sees London he knows she will require his full attention The woman is lovely brilliant and the only known speaker of a dialect of ancient Greek that holds the key to calling down the wrath of the gods Bennett will be risking his life again but around London what really worries him is the danger to his heart Rebel Book Three Nathan Lesperance is used to being different He's the first Native attorney in Vancouver and welcome neither with white society nor his sometime tribe Not to mention the powerful wildness he's always felt inside him too dangerous to set free Then he met Astrid Bramfield and saw his like within her piercing eyes Now unless she helps him through the harsh terrain and the harsher unknowns of his true abilities it could very well get him killed Astrid has traveled this path before Once she was a Blade of the Rose protecting the world's magic from unscrupulous men with her husband by her side But she's loved and lost and as a world class frontierswoman she knows all about survival Nathan's searing gaze and long lean muscles mean nothing but trouble Yet something has ignited a forgotten flame inside her a burning need for adventure for life and perhaps even for love Stranger Book Four Gemma Murphy has a nose for a story even if the boys in Chicago's newsrooms would rather focus on her chest So when she runs into a handsome man of mystery discussing how to save the world from fancy pants Brit conspirators she's sensing a scoop Especially when he mentions there's magic involved Of course getting him on the record would be easier if he hadn't caught her eavesdropping Catullus Graves knows what it's like to be shut out his ancestors were slaves And he's a genius inventor with appropriately eccentric habits so even people who love him find him a little odd But after meeting a certain redheaded scribbler he's thinking of other types of science Inconvenient given that he needs to focus on preventing the end of the world as we know it But with Gemma's insatiable curiosity sparking Catullus's inventive impulses they might set off something explosive anyway
