The Autobiography of Arthur Young Arthur Young,2020-09-28 I was born at Whitehall London on September 11 1741 many years after my brother John and my sister Elizabeth Mary In examining the family papers from which the following detail is drawn I should observe that difficulties often occurred by reason of the ancient hand writing of many documents and from several being written in the Latin language not easily deciphered but the circumstances relative to the following dates were clearly ascertained as far as they are noted The principal object is the possession of the Manor of Bradfield Combust which is traced in the family of Canham till it came by marriage into that of Young Bartholomew Canham the elder had two sons and two daughters In 1672 he transferred Bradfield Hall manor and lands to Arthur Young married to Elizabeth his daughter The Young shield bears a Field Argent three Bends sable and a Lyon rampant that of Canham a Field Gule Bend Argent charged with a cannon ball sable the Bend cotised with Or The estate had been purchased in 1620 by my ancestor of Sir Thomas afterwards Lord Jermyn of Rushbrooke being part of the great possessions of that family The steward who acted for Sir Thomas was Martin Folkes ancestor of the present Sir Martin Folkes And here it is curious to observe the different results affecting the posterity of the private gentleman who purchases and of the steward of the great man who sells I am a poor little gentleman and Sir Martin Folkes owner of an estate not far short of 10 000l a year My father Dr Arthur Young

inherited Bradfield from my grandfather Bartholomew Young Esq called Captain from a command in the Militia and it is remarkable that with only a part of the present Bradfield estate he lived genteely and drove a coach and four on a property which in these present times just maintains the establishment of a wheel barrow Dr Arthur Young my father was educated at Eton and admitted to Pembroke Hall Cambridge in 1710 afterwards settling at Thames Ditton Surrey He was so much liked by the inhabitants that they elected him against a violent opposition of the inferior classes minister of that parish Whether the ladies of the place had a particular influence I know not but he was a remarkably handsome man and six feet high It was here he became acquainted with Miss Anne Lucretia de Cousmaker to whom he was afterwards married She was the daughter of John de Cousmaker Esq who came to England with King William III bringing with him a fortune of 80 000l the greater part of which he was deprived of by the imprudence of one or two of his sons If ever there existed in human form an Israelite without guile it was this worthy man and it gives me great pleasure to reflect on the extreme respect and affection which were always felt for him and my dear mother Mr de Cousmaker my maternal grandfather was executor and residuary legatee to a Mrs Keene on which account he could have legally possessed himself of an estate left by her With an honesty unexampled he would not take one penny of it but exerted himself with incredible industry to discover some distant relation to whom he might transfer the property He did find one who had no legal claim and he gave him the estate This Mr Keene dying without issue his widow told my grandfather that out of gratitude she would provide for two of his children To a daughter she left an annuity of 300l a year to a son an estate which passed on to his descendants
