what they have done for their entire lives do it themselves Silver Lining is a hilarious comedy by Sandi Toksvig It tells the tale of a group of extraordinary yet forgotten women who come together one treacherous night to recreate The Great Escape senior citizen style It received its world premiere at the Rose Theatre Kingston on 3 February 2017 in a production by English Touring Theatre and Rose Theatre Kingston

Women Adapting Bethany Wood,2019-05-29 When most of us hear the title Gentlemen Prefer Blondes we think of Marilyn Monroe and Jane Russell s iconic film performance Few however are aware that the movie was based on Anita Loos s 1925 comic novel by the same name What does it mean Women Adapting asks to translate a Jazz Age blockbuster from book to film or stage What adjustments are necessary and what if anything is lost Bethany Wood examines three well known stories that debuted as women s magazine serials Gentlemen Prefer Blondes Edith Wharton s The Age of Innocence and Edna Ferber s Show Boat and traces how each of these beloved narratives traveled across publishing theatre and film through adaptation She documents the formation of adaptation systems and how they involved women s voices and labor in modern entertainment in ways that have been previously underappreciated What emerges is a picture of a unique window of time in the early decades of the twentieth century when women in entertainment held influential positions in production and management These days when filmic adaptations seem endless and perhaps even unoriginal Women Adapting challenges us to rethink the popular platitude The book is always better than the movie
