**Charlotte, NC** William Graves,Heather A. Smith,2012-06-01 The rapid evolution of Charlotte North Carolina from regional backwater to globally ascendant city provides stark contrasts of then and now Once a regional manufacturing and

textile center Charlotte stands today as one of the nation's premier banking and financial cores with interests reaching broadly into global markets. Once defined by its biracial and bicultural character, Charlotte is now an emerging immigrant gateway drawing newcomers from Latin America and across the globe. Once derided for its sleepy nine to five uptown, Charlotte's center city has been wholly transformed by residential gentrification, corporate headquarters construction, and amenity-based redevelopment. And yet, despite its rapid transformation, Charlotte remains distinctively southern, globalizing, not yet global. This book brings together an interdisciplinary team of leading scholars and local experts to examine Charlotte from multiple angles. Their topics include the banking industry, gentrification, boosterism, architecture, city planning, transit, public schools, NASCAR, and the African American and Latino communities. United in the conviction that the experience of this Sunbelt city, center of the nation's fifth largest metropolitan area, offers new insight into today's most pressing urban and suburban issues, the contributors to *Charlotte NC: The Global Evolution of a New South City* ask what happens when the external forces of globalization combine with a city's internal dynamics to reshape the local structures, landscapes, and identities of a southern place.

Supreme Devil General You MengDeXiangJia, 2020-07-17 Chen Ren, who possessed the blood of the three races, had coincidentally obtained the teachings of the Blacksmith Saint and chose the path of a Magician that no one had ever succeeded in cultivating. The path of cultivation was filled with obstacles and thorns, and one mistake would result in death. It was true that taking the old route of cultivation would reduce the danger, but how could one reach the peak of cultivation by following the old path? I have the blood of the human race, so I value friendship. I have the blood of the elves, so I love peace and never bully the weak. But if you think I am easy to bully, then I also have the blood of the demons. I can attack you with my sword without a word. He could be happy to avenge his benefactors, slaughter his enemies, and slaughter his way out of the mountains of corpses and the seas of blood.
