the original Saturday Night Live Gilda Radner created a compelling character named Roseann Rosannadanna who habitually ended her routine with the line It's always something which was her father's favorite expression about life Radner chose the catch phrase she made famous as the title to her brave funny and painfully honest memoir the story of her struggle against cancer and her determination to continue laughing Gilda's Club a network of affiliate clubhouses that seeks to provide a social and emotional support community to people living with cancer was founded in Radner's memory in 1991 The name of the organization comes from a remark Gilda once made that cancer gave her membership to an elite club I'd rather not belong to In partnership with Gilda's Club It's Always Something includes valuable information for all whose lives have been touched by cancer and reminds us of the important place laughter has in healing Told as only Gilda Radner could tell it It's Always Something is the inspiring story of a courageous funny woman fighting to enjoy life no matter what the circumstances She died in 1989 Gilda's Club is distinguished by its unique philosophy and program cancer support for the whole family the whole time Learn more about Gilda's Club at [GildasClub.org](http://GildasClub.org)      **Notable American Women** Susan Ware, 2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman's personal life with her professional achievements set in the context of larger historical developments      The Publishers Weekly, 1985      **We Killed** Yael Kohen, 2012-10-16 No matter how many times female comedians buck the conventional wisdom people continue to ask Are women funny The question has been nagging at women off and on mostly on for the past sixty years It's incendiary much discussed and as proven in Yael Kohen's fascinating oral history totally wrongheaded In *We Killed* Kohen pieces together the revolution that happened to and by women in American comedy gathering the country's most prominent comediennes and the writers producers nightclub owners and colleagues who revolved around them She starts in the 1950s when comic success meant ridiculing and desexualizing yourself when Joan Rivers and Phyllis Diller emerged as America's favorite frustrated ladies when the joke was always on them Kohen brings us into the sixties and seventies when the appearance of smart edgy comedians Elaine May Lily Tomlin and the women's movement brought a new wave of radicals the women of SNL tough ass stand ups and a more independent breed on TV Mary Tyler Moore and her sisters There were battles to fight and preconceptions to shake before we could arrive in a world in which women like Chelsea Handler Sarah Silverman and Tina Fey can be smart attractive sexually confident and most of all flat out funny As the more than 150 people interviewed for this riveting oral history make clear women have always been funny It's just that every success has been called an exception and every failure an example of the rule And as each generation of women has developed its own style of comedy the coups of the previous era are washed away and a new set of challenges arises But the result is the same They kill A chorus of creative voices and hilarious
