Michael Curtiz Alan K. Rode,2017-11-17 Academy Award winning director Michael Curtiz 1886 1962 whose best known films include Casablanca 1942 Yankee Doodle Dandy 1942 Mildred Pierce 1945 and White Christmas 1954 was in many ways the anti auteur During his unprecedented twenty seven year tenure at Warner Bros he directed swashbuckling adventures westerns musicals war epics romances historical dramas horror films tearjerkers melodramas comedies and film noir masterpieces The director's staggering output of 180 films surpasses that of the legendary John Ford and exceeds the combined total of films directed by George Cukor Victor Fleming and Howard Hawks In the first biography of this colorful instinctual artist Alan K Rode illuminates the life and work

of one of the film industry's most complex figures. He explores the director's little-known early life and career in his native Hungary, revealing how Curtiz shaped the earliest days of silent cinema in Europe before immigrating to the United States in 1926. In Hollywood, Curtiz earned a reputation for explosive tantrums, his difficulty with English, and disregard for the well-being of others. However, few directors elicited more memorable portrayals from their casts, and ten different actors delivered Oscar-nominated performances under his direction. In addition to his study of the director's remarkable legacy, Rode investigates Curtiz's dramatic personal life, discussing his enduring creative partnership with his wife, screenwriter Bess Meredyth, as well as his numerous affairs and children born of his extramarital relationships. This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood's golden age. **A**

**Conservative Christian Reviews the Greatest Movies Ever Made** George McManus, 2003-07 **Sitcom Queens** Michael Karol, 2006-07 Whether it was Lucy and Ethel, Lucille Ball and Vivian Vance or Eve Arden as Miss Brooks, Gale Storm as her dad's little Margie always interfering but with the best of intentions, or the more modern Bea Arthur as Maude flaunting the conventions of how a woman was supposed to behave, we all have our favorite funny ladies who brought us laughter every week and for a half hour at least took us away from our daily problems. Classic TV expert Michael Karol, in a series of original essays, examines the roles these Sitcom Queens played on TV and how they became the beloved TV icons of generation after generation of TV fans. With a sitcom timeline and a Top 10 **Mary Wickes** Steve Taravella, 2013-05-24 Moviegoers know her as the housekeeper in *White Christmas*, the nurse in *Now Voyager*, and the crotchety choir director in *Sister Act*. This book, filled with never-published behind-the-scenes stories from Broadway and Hollywood, chronicles the life of a complicated woman who brought an assortment of unforgettable nurses, nuns, and housekeepers to life on screen and stage. Wickes was part of some of the most significant moments in film, television, theatre, and radio history. On that frightening night in 1938 that Orson Welles recorded his earth-shattering *War of the Worlds* radio broadcast, Wickes was waiting on another soundstage for him for a rehearsal of *Danton's Death*, oblivious to the havoc taking place outside. When silent film star Gloria Swanson decided to host a live talk show on this new thing called television, Wickes was one of her first guests. When Lucille Ball made her first TV appearance anywhere, Wickes appeared with her and became Lucy's closest friend for more than thirty years. Wickes was the original Mary Poppins long before an umbrella carried Julie Andrews across the rooftops of London. And when Disney began creating *101 Dalmatians*, it asked Wickes to pose for animators trying to capture the evil of Cruella de Vil. The pinched-face actress who cracked wise by day became a confidante to some of the day's biggest stars by night, including Bette Davis and Doris Day. Bolstered by interviews with almost three hundred people and by private correspondence from Ball, Davis, Day, and others, *Mary Wickes: I Know I've Seen That Face Before* includes scores of never-before-shared anecdotes about Hollywood and Broadway. In the process, it introduces readers to a complex woman who sustained a remarkable career for sixty years. **The Encyclopedia of Best Films** Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one

of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations: for viewing, recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc., as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

### **Sixties Shockers**

An historical overview chronicles the explosive growth of horror films during this era as well as the emergence of such dynamic directorial talents as Roman Polanski, George Romero, Francis Ford Coppola, and Peter Bogdanovich.

### **From Radio to Television**

Vincent Terrace, 2022-10-21. The early years of television relied in part on successful narratives of another medium as studios adapted radio programs like *Boston Blackie* and *Defense Attorney* to the small screen. Many shows were adapted more than once, like the radio program *Blondie* which inspired six television adaptations and 28 theatrical films. These are but a few of the 1,164 programs covered in this volume. Each program entry contains a detailed story line, years of broadcast, performer, and character casts, and principal production credits where possible. Two appendices, *Almost a Transition* and *Television to Radio*, and a performer's index conclude the book. This first of its kind encyclopedia covers many little-known programs that have rarely been discussed in print, e.g. *Real George* based on *Me and Janie*, *Volume One* based on *Quiet Please*, and *Galaxy* based on *X Minus One*. Covered programs include *The Great Gildersleeve*, *Howdy Doody*, *My Friend Irma*, *My Little Margie*, *Space Patrol*, and *Vic and Sade*.
