**Targeted** Kathleen Brooks,2024-04-26 Hunter Townsend loves his new home in the small town of Shadows Landing It's his sanctuary when he comes home from a mission as part of his Special Forces team Maggie the infuriating monogram loving bright color wearing cuter than she should be woman who loves to tease him was the only issue in Shadows Landing Until a mission goes wrong Maggie Bell is an Olympic sharpshooter and is getting ready to go for the gold once again She loved nothing more than letting the handsome yet cocky Hunter put his foot in his mouth over and over again by not telling him she was a better shot than he was He just kept digging that hole and she just kept smiling While everyone groaned when Maggie and Hunter started verbally sparring Maggie loved it She'd earn Hunter's respect when he saw her win gold That is if anyone finally tells him she's in the Olympics But that all seems inconsequential when Shadows Landing becomes a target Now will Hunter and Maggie put their verbal sparring aside and find the threat before they end up in the crosshairs

**Face-Off** Kathleen Brooks,2023-10-24 Stone Townsend is the center for the pro hockey team in Charleston There are just a few things he's concerned with bringing his large family together again leading his new team to a championship and doing a lot of scoring on and off the ice Which is why it was the worst time to get an injury under new team management and a new coach Natalie Novak owns a new sports academy that trains and rehabilitates athletes She's also a former prima ballerina and daughter of Charleston's new hockey coach though no one knows it But there was a lot more going on behind her pretty costumes and flawless leaps including being thrown into the spy world when she was dancing in London She thought it would be simple enough to leap back out but her past is about to find her All Stone cared about was getting back into skating shape for the tournament But when the paradox of Natalie gets his attention he realizes there's a lot more to her than meets the eye including someone who wants to kill her With his heart and career in Natalie's hands he vows to protect her with his life
