Reference guide to poetry anthologies with descriptions and evaluations of each anthology **Rose Gray Tansy**
Chapman, 2020-06-05 Thirteen year old Rose Gray's fervent prayers for peace during the bombing raids have been answered but no one around her in 1947 England is physically or spiritually free of the aftereffects of war Living on a government run tenant farm Rose struggles with her father's increasingly violent moods her mother's past including the appearance of a stranger returning from war and a school headmistress bordering on madness Rose's story is about how with the help of her religious grandmother her best friend Annie and the natural forces of adolescence she makes small bids for freedom in the midst of circumstances beyond her control **Her Name Is Rose** Christine Breen, 2015-04-14 Iris Bowen is a young Irish gardener and mother of a beloved adopted daughter Rose A recent widow Iris has spent the last two years concentrating on the day to day business of launching Rose into the world But when she receives some worrisome results on a breast scan the words of her husband as he was dying of cancer become hauntingly urgent He had begged Iris to search for Rose's birth mother so that Rose would still have family if anything happened to Iris Suddenly Iris fears that Rose really could be left alone *The Roses Race Around Her Name* Jonathan Cott, 1974 *The Nine Lives of Rose Napolitano* Donna Freitas, 2021-04-06 A powerful exploration of motherhood and feminism this novel will have readers examining their own what ifs Jill Santopolo New York Times bestselling author of *Everything After* An inventive novel about love loss identity and compromise *Woman's Day* Delves deep into love motherhood and the complicated dance that is navigating the world as a woman Claire Lombardo New York Times bestselling author of *The Most Fun We Ever Had* A deeply moving novel about a woman who thought she never wanted to be a mother and the many ways that life can surprise us Rose Napolitano is fighting with her husband Luke about prenatal vitamins She promised she'd take them but didn't He promised before they got married that he'd never want children but now he's changed his mind Their marriage has come to rest on this one question Can Rose find it in herself to become a mother Rose is a successful professor and academic She's never wanted to have a child The fight ends and with it their marriage But then Rose has a fight with Luke about the vitamins again This time the fight goes slightly differently and so does Rose's future as she grapples with whether she can indeed give up the one thing she thought she knew about herself Can she reimagine her life in a completely new way That reimagining plays out again and again in each of Rose's nine lives just as it does for each of us as we grow into adulthood What are the consequences of our biggest choices How would life change if we let go of our preconceived ideas of ourselves and became someone completely new Rose Napolitano's experience of choosing and then choosing again shows us in an utterly compelling way what it means literally to reinvent a life and sometimes become a different kind of woman than we ever imagined A stunning novel about love loss betrayal divorce death a woman's career and her identity *The Nine Lives of Rose Napolitano* is about finding one's

way into a future that wasn't the future one planned and the ways that fate intercedes when we least expect it **Rose Coffin** M. P. Kozlowsky, 2019-10-15 Rose Coffin can't win She's teased for her secondhand clothes She's teased for blushing all the time And she's teased for slipping into song at inopportune moments though that's the only thing that keeps her panic at bay After a particularly mortifying incident Rose escapes to the woods where she's captured by a group of otherworldly creatures They take her to Eppersett a magical eerily beautiful place where cemeteries are full of dead dreams moving castles roll along on tracks and most shocking of all people seem to love Rose at first sight They tell her that she's the one they've been waiting for The one who's going to save them An evil force called the Abomination is on the loose and there's only one thing powerful enough to stop it her voice There's just one catch Rose hasn't been brought to Eppersett to fight the Abomination She's going to be sacrificed to it She's the chosen one all right the one who's been chosen to die In this startlingly original fantasy M P Kozlowsky takes readers on a journey like no other an adventure that'll transform everything you thought you knew about friendship love and the true power of finding your voice **Rose of Jericho** Jenny
