Rosicrucianism Divinity And The Lineage Of Man:

An Elementary Treatise Upon Man's Past Evolution, Present Constitution And Future Development Max

Heindel, 2020-12-04 This book is written by Max Heindel the founder and Messenger of The Rosicrucian Fellowship This is a reference book of the Fellowship students and Probationers This book is also referred as Cosmo Conception or Mystic Christianity The founder of the Christian Religion stated an occult maxim when He said Whosoever shall not receive the kingdom of God as a little child shall not enter therein Mark 10 15 All occultists recognize the far reaching importance of this teaching of Christ and endeavor to live it day by day When a new philosophy is presented to the world it is met in different ways by different people One person will grasp with avidity any new philosophical effort in an endeavor to ascertain how far it supports his own ideas To such an one the philosophy itself is of minor importance Its prime value will be its vindication of HIS ideas If the work comes up to expectation in that respect he will enthusiastically adopt it and cling to it with a most unreasoning partisanship if not he will probably lay the book down in disgust and disappointment feeling as if the author had done him an injury Another adopts an attitude of skepticism as soon as he discovers that it contains something which HE has not previously read heard or originated in his own thought He would probably resent as extremely unjustified the accusation that his mental attitude is the acme of self satisfaction and intolerance such is nevertheless the case and thus he shuts his mind to any truth which may possibly be hidden in that which he off hand rejects Both these classes stand in their own light Set ideas render them impervious to rays of truth A little child is the very opposite of its elders in that respect It is not imbued with an overwhelming sense of superior knowledge nor does it feel compelled to look wise or to hide its nescience of any subject by a smile or a sneer It is frankly ignorant unfettered by preconceived opinions and therefore eminently teachable It takes everything with that beautiful attitude of trust which we have designated child like faith wherein there is not the shadow of a doubt There the child holds the teaching it receives until proven or disproven In all occult schools the pupil is first taught to forget all else when a new teaching is being given to allow neither preference nor prejudice to govern but to keep the mind in a state of calm dignified waiting As skepticism will blind us to truth in the most effective manner so this calm trustful attitude of the mind will allow the intuition or teaching from within to become aware of the truth contained in the proposition That is the only way to cultivate an absolutely certain perception of truth The pupil is not required to believe off hand that a given object which he has observed to be white is really black when such a statement is made to him but he must cultivate an attitude of mind which believeth all things as possible That will allow him to put by for the time being even what are generally considered established facts and investigate if perchance there be another viewpoint hitherto unobserved by him whence the object referred to would appear black Indeed he would not allow himself to look upon anything as an established fact for he realizes thoroughly the importance of keeping his mind in the fluidal state of adaptability which characterizes the little child He realizes in every fiber of his being that now we see through a glass darkly

and Ajax like he is ever on the alert yearning for Light more Light The enormous advantage of such an attitude of mind when investigating any given subject object or idea must be apparent *The Rosicrucian Cosmo-conception; Or, Mystic Christianity, an Elementary Treatise Upon Man's Past Evolution, Present Constitution and Future Development* Max Heindel,1929 **The Real History of the Rosicrucians** Arthur Edward Waite,2007-03-01 An excellent introduction to the historical and factual records by and about the Rosicrucians This classic study was first published in 1887 **The Invisible History of the Rosicrucians** Tobias Churton,2009-09-09 The first complete historical and philosophical investigation into the invisible fraternity of the Rosicrucians Contains the latest research on the origins of the Rosicrucian movement Presents the ties between Rosicrucianism Freemasonry and the Templars Written by a perfected Knight of the Rose Croix and the Pelican 18th degree Ancient and Accepted Rite For nearly 400 years incredible myths and stories have been woven around the invisible Brothers of the Rose Cross the Rosicrucians It is said that they possessed the secret of man and God that they could turn lead into gold that they governed Europe in secret that theirs was the true philosophy of Freemasonry and that they could save or destroy the world In *The Invisible History of the Rosicrucians* Tobias Churton a perfected Knight of the Rose Croix and the Pelican 18th degree Ancient and Accepted Rite presents the first definitive historical and philosophical view of this mysterious brotherhood Starting at its beginnings in Germany in 1603 Churton unveils the truth behind the complex story that underlies the Rosicrucian movement He explains its purpose the motives of its earliest creators and the manifestos accidentally published in the 17th century that emerged at precisely the time when modern science was emerging He details the people who influenced its development including Johannes Kepler Robert Fludd and Sir Francis Bacon and the ties between the Rosicrucians Freemasons and Templars He also shows how Rosicrucianism shaped the mythology and spiritual consciousness of both North and South America and reveals that there are many Rosicrucian fraternities still active throughout the world today **The Brotherhood of the Rosy Cross - A History of the Rosicrucians** Arthur Edward Waite,2020-07-14 *The Brotherhood of the Rosy Cross A History of the Rosicrucians* is Arthur Edward Waite s study of the elusive Rosicrucians a secret society which the first appeared to the public in Germany in the early 17th century Arthur Edward Waite 1857 1942 more commonly referred to as A E Waite was an American born British mystic and poet He wrote profusely on the subject of the occult and esoteric matters and is famous for being the co creator of the Rider Waite Tarot deck His work arguably constitutes the first attempt to systematically studying the history of western occultism which he viewed more of a spiritual tradition than proto science or pseudo religion as was the more common conception Contents include Mythical Rosicrucian Precursors Militia Crucifera Evangelica Alchemists And Mystics Symbolism Of The Rose And Cross Fama Fraternitatis R C Confessio Fraternitatis R C The Chemical Nuptials Authorship Of The Chemical Nuptials Development Of Rosicrucian Literature etc Other works by this author include *The Alchemical Writings of Edward Kelly* 1893 *Turba Philosophorum* 1894 and *Devil Worship in France* 1896 Many vintage books such as this are increasingly scarce and
