But a visit from the FBI shakes her foundations and Irene once again learns just how little she knew about the man she loved. With help from their friends, Irene and her sons set up their lives while evidence mounts that the helicopter crash that killed Russ may not have been an accident. Meanwhile, the island watches this drama unfold, including the driver of a Jeep with tinted windows who seems to be shadowing the Steele family. As a storm gathers strength in the Atlantic, surprises are in store for the Steeles: help from a mysterious source and a new beginning in the paradise that has become their home. At last, all will be revealed about the secrets and lies that brought Irene and her sons to St John and the truth that transformed them all.

*Tailing Trouble* Laura Scott, 2022-01-11 Wisconsin veterinarian Ally Winter must solve a well-heeled young woman's paw print murder in USA. Today bestselling author Laura Scott's second Furry Friends mystery. Thirty-something veterinarian Ally Winter has found a new leash on life since she moved back to her hometown of Willow Bluff, Wisconsin. But when she takes Domino, the black standard poodle she's boarding for the weekend for a sunny September stroll along the shore of Lake Michigan, the diminutive dog dashes off only to return with a single polka-dotted high-heeled shoe. Retracing Domino's paw prints back to a weeping willow tree, they find the other shoe. It's still on the foot of 20-year-old Pricilla Green, lying dead beneath the willow with a silk scarf knotted tightly around her neck. Willow Bluff's finest and handsomest detective, Noah Jorgenson, is soon on the tail of the killer. But he has another worry on his mind when Ally's grandfather, a lifelong true crime buff, starts to suspect that the recent burglary of a local big box store may have some connection to Pricilla's murder. Noah cautions Ally to keep Gramps well away from the homicide investigation, but the old dog is drawn to danger like a puppy is to a squeaky ball. The fur flies as Ally, Noah, Gramps and Domino race the clock to fetch the felon. It will take all of their canine caniness to comb out the twists and curls in this wild and woolly case. And if they fail, they won't live to go walkies again.

*Performing Social Change on the Island of Ireland* Ciara L. Murphy, 2023-05-22 This book examines the relationship between moments of significant social change on the island of Ireland and performance practice during the twentieth and twenty-first centuries. It examines how moments of significant change influence not only the content of performance practice but also the form and function of theatre production and reception. This book investigates how the Troubles and subsequent Peace Process, Second Wave Feminism, the Celtic Tiger, and neoliberalism, social revolution, and the COVID-19 pandemic impacts the form and function of performance practice across the island of Ireland. Although these forms of theatre and performance making refer to varied and distinct lineages of practice internationally, there are key parallels that compel a study of their interrelation in a specific Irish context. This book explores how the performance of Ireland illuminates histories and stories that are on the margins, illuminating the lived realities of everyday life through the presentation of moments of violence, oppression, and trauma as something that is as important as the larger narratives often ascribed to nationhood. This book asks how performance practice engages with and informs moments of major social change on the island of Ireland through the distinct yet intersecting lenses of place, performance form, and social context over the course of almost a century of Irish theatre and performance practice.

Some from the South, some from the North, some rich and some poor, the characters that inhabit *In Love & Trouble* all seek a measure of self-fulfillment even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of love brings hope to even the most harrowing lives."
