A. Skaarup,2000-07-31 This is a book of light stories that are about the gift of choice we are given in this life You can choose
to live and be full of God s light or spend most of your time in a very dark place The dark doesn t like the light because once
it has been touched by the light it isn t dark anymore My intent is to tell you about dreams I have had people I have met and
some of the gifts that have been granted me because of them Like so many of us I have had the great privilege of meeting
people whom I consider to be true angels in all senses of the word Some of their comments and in some cases channelings
have been included in this collection of stories It is my hope that you will draw a bit of pleasure from some of the information
provided here and perhaps learn something new The stories are real enough in that the ideas and thoughts behind them
originate from my experiences Anyone with an interest in Glastonbury Oak Island Rennes le Chateau Capernaum and a
hundred other places of legend history and mystery will find this an interesting book Hal Skaarup earned his Bachelor of Fine
Arts degree through NSCAD and his MA in War Studies with RMC As a Canadian Forces officer he has had extensive service
