The Rotary Club Murder Mystery Graham Gordon Landrum, Graham Landrum, 1996-04-15 When a district governor is found dead from an apparent suicide the members of the local rotary club led by feisty octogenarian Harriet Bushrow suspect foul play and uncover several disturbing facts about the victim Reprint **The Rotary Club Murder Mystery** Graham

Mystery Graham Landrum, Robert Graham Landrum, 2014-09-02 Picking up from an unfinished manuscript of his late father Graham Gordon Landrum Robert Graham Landrum follows the further adventures of the ladies of the Daughters of the American Revolution in the quiet little town of Borderville Tennessee When Mrs Marguerite Claymore a leading horticulturist is found bludgeoned to death in her garden the residents of Borderville are up in arms A respected member of society noted for her many contributions Mrs Claymore seems to have been the least likely candidate for such a terrible crime It appears that Mrs Claymore interrupted a thief in the process of looting her house A teenage boy stands accused of the crime and his family enlists the spunky octogenarian sleuth Harriet Bushrow to clear his name Harriet soon finds several people from Mrs Claymore s past who may have had a reason to do away with the often cantankerous and dictatorial old woman A string of unsolved robberies may also be connected In The Garden Club Mystery Robert Landrum pays a unique tribute to his father by co creating the magic of the fictional town of Borderville and its much loved characters The Rotarian: August 2012 ,

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the

descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
