The Rough Guide to First-Time Africa Rough Guides, 2011-04-01 The Rough Guide First Time Africa tells you everything you need to know before you go to Africa from visas and vaccinations to budgets and packing. It will help you plan the best possible trip with advice on when to go and what not to miss and how to avoid trouble on the road. You'll find insightful information on what tickets to buy, where to stay, what to eat and how to stay healthy and save money in Africa. The Rough Guide First Time Africa includes insightful overviews of each African country, highlighting the best places to visit with country specific websites, clear maps, suggested reading and budget information. Be inspired by the things not to miss section whilst useful contact details will help you plan your route. All kinds of advice and anecdotes from travellers who've been there and done it will make travelling stress free. The Rough Guide First Time Africa has everything you need to get your journey underway. The Rough Guide to First Time Africa now available in epub format **Popular Music, Ethnicity and Politics**

in the Kenya of the 1990s T. Michael Mboya, 2019-02-13 Okatch Biggy was the single most dominant benga artiste of the 1990s. Over that decade benga was the most important genre of popular music in Kenya. What is it about the music of Okatch Biggy that made it attractive to his target audience, the Luo of the 1990s? Is there something about the Luo of the 1990s that predisposed them to this music? In the course of answering these and related questions, this volume analyzes Okatch Biggy's songs as works of art that is by identifying the aesthetic and rhetorical conventions that are deployed in the songs and explores the central messages that the music transmits. It shows the significance of the meanings in Okatch Biggy's music for the Luo of the 1990s by situating it in the historical context from which it emerged. Literary instruments of analysis and contextualizing material gathered from various knowledge archives are deployed in the production of the textual meaning of the popular music of Okatch Biggy which is used here as a lens through which to understand the relationship between politics and ethnicity in the Kenya of the 1990s. The book's carefully demonstrated argument is that in both the form and the content of his music Okatch Biggy undertook a comprehensive culturalist nationalist project of Luo definition that was persuasive to his primary audience in the highly ethnicized political context in which he became successful. This is a timely study given the current renewed scholarly interest in African popular music that has come on the back of the rise of leisure studies and the reinvigoration of popular culture studies Kenya Jim Corrigan, 2014-09-02 Many anthropologists believe the human species originated in Kenya's Rift Valley where hominid skulls more than 2 million years old have been discovered.

That fact alone would make Kenya an important place But this East African nation has many other extraordinary characteristics diverse terrain a remarkable variety of plant and animal life and a fascinating blend of cultures and languages among its people The political system in Kenya is far from ideal Historically government corruption has been a major problem However the country adopted a new constitution in 2010 and is considered one of the most stable in Africa Kenya has a free press and multiple political parties that compete in national elections The country has also been fortunate to escape the chaos that has affected many neighboring countries in East Africa **Kenya** Bridget Giles,2006 Discover the people and places of Kenya From source other than the Library of Congress
