Royal Tours Of The British Empire 1860 1927

Andrew N. Porter

Royal Tours Of The British Empire 1860 1927:

Royal Tours of the British Empire, 1860-1927 John Fabb, 1989-01-01 This is a photographic documentation of the tradition of tours made by the British Royal family from 1860 until 1927 Begun during Queen Victoria's reign these tours were closely associated with the heyday of British Imperialism Royal tourists, colonial subjects and the making of a British world, 1860-1911 Charles Reed, 2016-02-01 This electronic version has been made available under a Creative Commons BY NC ND open access license This study examines the ritual space of nineteenth century royal tours of empire and the diverse array of historical actors who participated in them It suggests that the varied responses to the royal tours of the nineteenth century demonstrate how a multi centred British imperial culture was forged in the empire and was constantly made and remade appropriated and contested In this context subjects of empire provincialised the British Isles centring the colonies in their political and cultural constructions of empire Britishness citizenship and loyalty The British Abroad Since the Eighteenth Century, Volume 1 Xavier Guégan, 2013-11-19 This book considers the British travelling beyond their isles over the last three hundred years and through a range of interdisciplinary perspectives reflects on their taste for discovery and self discovery both through the exploration and exploitation of other lands and peoples *Royals on tour* Robert Aldrich, Cindy McCreery, 2018-05-13 *Royals on Tour* explores visits by European monarchs and princes to colonies and by indigenous royals to Europe in the 1800s and early 1900s with case studies of travel by royals from Britain France Portugal Germany Italy the Netherlands Belgium Japan the Dutch East Indies and French Indochina Such tours projected imperial dominion and asserted the status of non European dynasties The celebrity of royals the increased facility of travel and the interest of public and press made tours key encounters between Europeans and non Europeans The reception visitors received illustrate the dynamics of empire and international relations Ceremonies speeches and meetings formed part of the popular culture of empire and monarchy Mixed in with pageantry and protocol were profound questions about the role of monarchs imperial governance relationships between metropolitan and overseas elites and evolving expressions of nationalism *Exporting empire* Christopher Prior, 2017-03-01 For Africans rank and file colonial officials were the most visible manifestation of British imperial power But in spite of their importance in administering such vast imperial territories the attitudes of officials who served between the end of the nineteenth century and the Second World War as well as what shaped such attitudes have yet to be examined in any systematic way In this original and revisionist work Prior draws upon an enormous array of private and official papers to address some key questions about the colonial services How did officials education and training affect the ways that they engaged with Africa How did officials relate to one another How did officials seek to understand Africa and Africans How did they respond to infrastructural change How did they deal with anti colonial nationalism This work will be of value to students and lecturers alike interested in British imperial and African history For King and Country Heather Jones, 2021-09-23 Was the First World War really For King and Country This is the first full

history of the monarchy's role **The Duchess Of Windsor** Greg King, 2011-05-01 A sympathetic and believable portrait of the American woman for whom King Edward VIII gave up the throne with photos included Christian Science Monitor A woman's life can really be a succession of lives each revolving around some emotionally compelling situation or challenge and each marked off by some intense experience It was the love story of the century the king and the commoner In December 1936 King Edward VIII abdicated the throne to marry the woman I love Wallis Warfield Simpson a twice divorced American who quickly became one of the twentieth century's most famous personalities a figure of intrigue and mystery both admired and reviled Wrongly blamed for the abdication crisis Wallis suffered hostility from the Royal Family and much of the world Yet interest in her story has remained constant resulting in a small library of biographies that convey a thinly veiled animosity toward their subject The truth however is infinitely more fascinating than the shallow pathetic portrait that has often been painted Using previously untapped sources acclaimed biographer Greg King presents a complete and for the first time sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986 King takes the reader through a world of privilege palaces high society and love with the accompaniment of hatreds feuds conspiracies and lies The cast of characters is vast politicians and presidents dictators and socialites Twenty four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance A wide absurd cast of characters led by the British royal family Wallis lavish decorati

Crowns and colonies Robert Aldrich, Cindy McCreery, 2016-08-25 Queen Victoria who also bore the title of Empress of India had a real and abiding interest in the British Empire but other European monarchs also ruled over possessions beyond the seas This collection of original essays explores the connections between monarchy and colonialism from the old regime empires down to the Commonwealth of today With case studies drawn from Britain France the Netherlands Germany and Italy the chapters analyse constitutional questions about the role of the crown in overseas empires the pomp and pageantry of the monarchy as it transferred to the colonies and the fate of indigenous sovereigns under European colonial control The volume with chapters on North America Asia Africa and Australasia provides new perspectives on colonial history the governance of empire and the transnational history of monarchies in modern Europe

A Soldier Gone to Sea Charles Frederic Jerram, 2016-11-19 In this memoir spanning nine decades Lieutenant Colonel C F Jerram 1882 1969 of the Royal Marines recounts his life and military service through both world wars Jerram describes in candid detail his late 19th century childhood in Devon and Cornwall the late Victorian and Edwardian Royal Navy the Royal Navy's Far East Station a traditional Corps of Marines the Gallipoli Campaign the World War I Western Front and the interwar and World War II years His experience and insight convey two fundamental lessons Know thy profession and look after those for whom you are responsible An essay by the editor based on other sources provides a broader perspective on Jerram whose approach to professional military service is still pertinent today

Bibliography of Imperial, Colonial, and Commonwealth

History Since 1600 Andrew N. Porter, 2002 The twentieth century witnessed an unprecedented growth of research and publication on the history of Britain's empire the Commonwealth and British expansion overseas Historical work by area specialists has transformed the state of knowledge concerning colonial North America India the Caribbean sub Saharan Africa South and South East Asia the Pacific and Australasia Much has been written about Britain's interests and presence in areas and societies never formally subjected to British rule such as Latin America and the Middle and Far East Most recently a preoccupation with the reciprocal impact of overseas expansion and colonial possessions on Britain itself has produced a rapidly growing historiography Publication on this scale has made it virtually impossible for anyone either to keep track of the results or to follow up particular interests Britain's overseas history has never been well supplied with comprehensive bibliographical aids and despite extensive public interest in the subject the position has steadily worsened Following the recent Oxford History of the British Empire this volume is therefore designed to provide a general source of reference and bibliographical guidance at once wide ranging up to date and accessible *Prinz Albert - Ein Wettiner in Großbritannien* John R. Davis, 2011-10-13 Die Prinz Albert Gesellschaft hat sich zur Aufgabe gemacht die britisch deutschen Beziehungen in Wissenschaft Kultur und Politik zu pflegen Alljährlich finden unter dieser Prämisse Tagungen statt deren Beiträge in den Prinz Albert Studien veröffentlicht werden und die viele interessante Aspekte der britisch deutschen Beziehungen verdeutlichen

The Cumulative Book Index, 1990 A world list of books in the English language **British Royal Visits and Black Loyatism in Twentieth-century Southern Africa** Hilary Sapire, 2024-10-31 Exploring the entwined histories of British royal visits to Southern Africa in the twentieth century this book analyses the clashing voices of dissent and cheering crowds that accompanied royal tours providing insight into the shifting nature of Black loyalism Originating in the Indigenous empire loyalism of eighteenth century Canada Black loyalism encompassed loyalty to the British crown and a shared ideology of rights and entitlements which positioned the crown as a source of protection against white settler rapacity colonial violence and racial oppression However expressions of monarchical devotion were often double edged and addressed the fundamental contradiction of a crown that was both the source of rights and complicit in colonial conquest appropriation and misrule It was on royal occasions such as jubilees coronation celebrations and especially royal visits when the sovereign was literally amongst their more distant subjects that loyalist sentiment was rekindled reinvented and made directly relevant to the concerns of the day By analysing change and continuity in Black perspectives towards both the British and Indigenous African monarchy during these visits this book offers a fruitful way into examining an array of Black Southern African discourses on governance political values and cultural identities across the region It argues that the refashioning of British imperial monarchy in the twentieth century was profoundly shaped by African initiatives and reimaginings and provides valuable reading for those researching imperialism popular attitudes to the British monarchy in the twentieth century and the diverse politics and identities of southern Africa **History**, 1927 **Forthcoming Books** Rose Army, 1989-09

British Book News ,1988 **Cumulative Bibliography of Victorian Studies** ,1970 History Today Peter
Quennell,1989 *The Cambridge History of the British Empire* Eric Anderson Walker,1963 Whitaker's Book List ,1989

Royal Tours Of The British Empire 1860 1927 Introduction

In today's digital age, the availability of Royal Tours Of The British Empire 1860 1927 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Royal Tours Of The British Empire 1860 1927 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Royal Tours Of The British Empire 1860 1927 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Royal Tours Of The British Empire 1860 1927 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Royal Tours Of The British Empire 1860 1927 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Royal Tours Of The British Empire 1860 1927 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Royal Tours Of The British Empire 1860 1927 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Royal Tours Of The British Empire 1860 1927 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Royal Tours Of The British Empire 1860 1927 books and manuals for download and embark on your journey of knowledge?

FAQs About Royal Tours Of The British Empire 1860 1927 Books

1. Where can I buy Royal Tours Of The British Empire 1860 1927 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
