royal events Some people think that the media has excessive power However it is one good way for the British population to know what is going on since the people effectively pay through taxes pay for the cost of have a royal country Persons entering the royalty for outside have immense pressure to conform and often experience extreme negative difficulties It is not normal for royal persons to leave the monarchy The book is a combination of three novels that describe the difficulties of royal life The main characters are Matt the mathematician the General a worldwide benefactor and other people such as Ashley Anna and Sir Charles Buzz Bunday all of whom you have met in other novels The book is a combination of three novels that describe the difficulties of royal life The main characters are Matt the mathematician the General a worldwide benefactor and other people such as Ashley Anna and Sir Charles Buzz Bunday all of whom you have met in other novels There are three novels The Mysterious Case of the Royal Baby The Curious Case of the Royal Marriage and The Auspicious Case of the General and the Royal Family The books may be read in any order but the best result is to read them in order Each book is totally complete You will be enlightened and entertained Remember the books are novels and the people and the episodes are not true Moreover my usual writing customs apply no violence no sex and no bad language It thereby applies to readers of all ages It would be a good beach read
