Gupta, 2014-10-14 Teaching of English in India has been traditionally grammar based The teacher teaches a good deal of grammar assigns exercises in class or as homework and makes a lot of corrections Such painstaking efforts on the part of the teacher are of course helpful in learning the language but does not much help the student to use the language in day to day conversation Leaving aside the traditional method of dealing with grammar as an isolated subject the present book offers a specific course in spoken English that focuses on the language of interaction and social exchanges Its main emphasis is on developing communicative ability of the learner **Special Education** Caroline M. Mar, 2021-04-21 Special Education is a powerful collection of poems confronting American identity in the 21st century In large part it traces a new teacher s poetic journey to understanding her work and herself Mar s poems which move between free verse and received forms between the I of her speaker narrator and the voices of colleagues students and the world around all of them investigate a variety of topics how love is expressed by doing something one hates for a partner who loves it what a charging bear on a camping trip can reveal about gender the failures of an education system as depicted through colors and images on a slideshow presentation The collection closes on a speaker both more and less certain about her place in the world Her hometown as she gazes across it in Views is changing dramatically as she asks Why nostalgia for a place that is still my place By the poem s end having covered everything from the places where her grandparents died to the effects of the next big earthquake to luxury cars the speaker has revealed herself to both be inside of and resistant to the machinations of systems that seem prepared to crush her students education racism gentrification ableism What does life look like on an everyday scale against the churning of the world In Special Education Mar embraces this truth and in poems that show us what we have yet to learn employs both her systemic mind and poetic voice to confront the ugly little loves that the world makes of us all Host Bibliographic Record for Boundwith Item Barcode 30112055414335 and Others , 1922 **Punch** , 1876 **United States of America V. Bernard Berenson, the Making of a Legend Ernest Samuels,Jayne Samuels,1987 Controversy swirls around Bernard Berenson today as it did in his middle years before and between two world wars Who was this man this supreme connoisseur of Italian Renaissance painting How did he support his elegant estate near Florence his Villa I Tatti What exactly were his relations with the art dealer Joseph Duveen What part did his wife Mary play in his scholarly work and professional career The answers are to be found in the day to day record of his life as he lived it as reported at first hand in his and Mary s letters and diaries and reflected in the countless personal and business letters they received His is one of the most fully documented lives of this century Ernest Samuels having spent twenty years studying the thousands of letters and other manuscripts presents his story in absorbing detail Berenson helped Isabella Stewart Gardner build her great collection and performed similar though lesser services for other wealthy Americans It was merely an avocation and a useful source of income his vocation was scholarship But after 1904 when the book opens his expertise was in ever greater demand a purchaser s only assurance of the authorship of an Italian painting was the opinion of an expert and in this field Berenson was pre eminent Increasingly he was drawn into the lucrative world of the art dealers inevitably Joseph

Duveen found it essential to enlist his services at first ad hoc then by contractual agreement Samuels charts the course of Berenson's long association with Duveen Brothers detailing the financial arrangements the humdrum chores and major contested attributions the periodic clashes between the stubborn scholar and the arrogant entrepreneur The portrayal of Berenson's relationship with Mary is especially intriguing a union of opposites in all but brains and wit bonded despite love affairs jealousies recriminations no longer by passion but by shared concerns Impinging on their lives are those of a huge circle of friends and acquaintances in America and the beau monde of Europe Both as biography and as a chapter of social and cultural history it is a compelling book National Magazine ... ,1913 **Good Housekeeping Magazine** ,1909
