The Author of Love Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question thats begging to be answered is Who is God This devotional evolved out of one persons desire to portray God in a truer light In the Book of Job God reprimanded Jobs friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your

Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope youll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what youre all about May you understand Gods love for you
