YHWH

In the Hebrew language, letters are symbols. And YHWH is how the Jews spell Yahweh, the proper name of God.

- The symbol in the Hebrew language for an “H” is the word “Behold.”
- The symbol for the “Y” is a hand.
- The symbol for the “W” is a nail.

The name YHWH means, “Behold the nails in my hands.”

A Disputation on Holy Scripture William Whitaker,2004-02-13 The Parker Society was the London based Anglican society that printed in fifty four volumes the works of the leading English Reformers of the sixteenth century It was formed in 1840 and disbanded in 1855 when its work was completed Named after Matthew Parker the first Elizabethan Archbishop of Canterbury who was known as a great collector of books the stimulus for the foundation of the society was provided by the Tractarian movement led by John Henry Newman and Edward B Pusey Some members of this movement spoke disparagingly of the English Reformation and so some members of the Church of England felt the need to make available in an attractive form the works of the leaders of that Reformation
