The Case For Make Believe Susan Linn, 2009-07-01 In The Case for Make Believe Harvard child psychologist Susan Linn tells the alarming story of childhood under siege in a commercialized and technology saturated world Although play is essential to human development and children are born with an innate capacity for make believe Linn argues that in modern day America nurturing creative play is not only countercultural it threatens corporate profits A book with immediate relevance for parents and educators alike The Case for Make Believe helps readers understand how crucial child's play is and what parents and educators can do to protect it At the heart of the book are stories of children at home in school and at a therapist's office playing about real life issues from entering kindergarten to a sibling's death expressing feelings they can't express directly and making meaning of an often confusing world In an era when toys come from television and media companies sell videos as brain builders for babies Linn lays out the inextricable links between play creativity and health showing us how and why to preserve the space for make believe that children need to lead fulfilling and meaningful lives

World War II and the Postwar Years in America William H. Young, Nancy K. Young, 2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down

to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world **Hi There, Boys and Girls!**

Golden State, Golden Youth Kirse Granat May, 2010-03-15 Seen as a land of sunshine and opportunity the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s Nowhere was this more evident than in the explosion of California youth images in popular culture Disneyland television shows such as The Mickey Mouse Club Gidget and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban youth culture soothed the nation's postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan

transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan's victory presaged a rising conservatism across the nation
