### **Men & Warfare: Equipping Men In Spiritual Warfare**

Stephen Phinney, 2012-12-12 The Christian man is engaged in a spiritual battle even if he does not believe that he is Satan and his spiritual forces are on the battle line waiting for you each day A man does not have a choice as to his engagement in this battle it awaits him each day and there is no way getting around it If you are saved and have received Jesus Christ as your Lord and Savior you are in Be alert and sober for your enemy Satan roams around on the earth to seek whom he can devour This study is to equip each man with the spiritual tools necessary to war against the world his flesh and the devil himself This study can be used as a private devotional completing one lesson per day or at a pace that is most comfortable A popular format is in a small group environment finishing one lesson per week This workbook contains many helpful tools to equip leaders in small group ministry

**The Greatest** Cyril K. Nwozor PhD, 2017-05-31 At the same time came the disciples unto Jesus saying who is the greatest in the kingdom of heaven And Jesus called a little child unto him and set him in the midst of them and said Verily I say unto you except ye be converted and become as little children ye shall not enter into the kingdom

of heaven Whosoever therefore shall humble himself as this little child the same is greatest in the kingdom of heaven  
Matthew 18 14 Nothing can be more humiliating than that time when the disciples should have had such contentions and in such a time and place When just as Jesus was cogitating his own death and laboring to prepare them for it they strived and contended about office and rank This shows how deeply seated the love of power and authority is Do you want to be greatest Have a childlike character says the Lord It takes no title to be a great leader Being wealthy does not make one a great leader That you are educated with highest accolade in education does not qualify you to be a great leader A great leader is one who is humble and has a servants heart he is one who rules guides inspires and treats others as he would like to be treated Having influence or power over others is not leadership that is dictatorship A great leader is that person who possesses the ability to lead others like Christ led and has potential to teach others He is one with the ability to identify gifts and talents in others and guide them to potential A leader is someone God has chosen and people choose to follow one who loves and positively influences others to do things they may not otherwise do Ideally an effective great leader is a person who imitates Christs style of leadership a person full of compassion integrity and humility and is not a dictator Again do you want to be greatest Have a childlike character think like a child love like a child trust and have faith in God like a child     **Spiritual Warfare and Deliverance** Harold Ristau, 2025-07-29 There is much more to our common struggles than meets the eye navigate spiritual warfare with Christian maturity and wisdom covers both ordinary spiritual warfare like personal temptation and extraordinary encounters such as demonic oppression possession and exorcisms from a pastor missionary and former military chaplain Our modern Western world is deeply confused about what is good and what is evil We know little about angels and demons though the Scriptures we purport to believe have much to say about them We blur the distinction between God and the devil And we are paying for it Denial of reality does not change reality Drawing from Scripture history and his own experiences as a missionary and a military chaplain Harold Ristau helps Christians develop a biblical understanding of our spiritual vulnerability in both ordinary life such as personal temptation and extraordinary situations such as demonic oppression and possession He takes us beyond theory where many other resources stop laying out practical tools to equip us for our own personal battles and steps to take to protect ourselves and others from the evil forces at work in our world And he lays out an effective proven process for mature ministers and clergy to follow when performing an exorcism There is much more to the struggles we face in life than meets the eye If you want to be prepared for the battles that lie ahead this book is your grounded thorough and hope filled guide to ministering to the demonically oppressed or possessed     *Guarding the Local Church* Dick Iverson, 2008-05 We are living in a day and age when the church is under attack Over the last two thousand years the church has faced many attempts to destroy it and its influence It has never been the attacks from outside of the church that have been a serious threat since the church was built for war but it is the attacks from within that have been the most dangerous In this book Dick Iverson speaks to us from his own first hand experience

about the dangers that face the overseers of the bride of Christ He shares stories from his own life and chronicles some of the failures and successes of his early years of ministry This book also details how to discern the difference between ministers who truly love the church and those who are ministering for their own gain Those who minister in the church need to have the same love and desires for the church as Jesus does because as the bride of Christ the church is the most

important and precious thing to Him **Inspired Inspirations** Lawrence Maraire,2016-10-03 Inspired Inspirations By Lawrence Maraire Inspired Inspirations is the result of the revelation and acknowledgment that there is a Supreme Being who rules over author Lawrence Maraire s life It is not by his power or might that he has overcome hardships and found healing It is the realization that he is not the master of his own destiny but in Christ he lives breathes and has his being Understand the undulating meaning of God s grace which liberates us from spiritual bondages such as rejection fear striving to live up to people s expectations and unbelief This grace ushers us into full revelation knowledge of who God is in our lives

Endangered Gospel John C. Nugent,2016-06-16 For centuries Christians sought to rescue people from this world Today we re trying to fix it While this shift is helpful in some ways in other ways it can be quite dangerous Endangered Gospel flips the script on this conversation by stressing the core gospel truth that rather than ushering in a new world through social activism God s people already are the new world in Christ It s not our job to make this world a better place but to be the better place God has already made in this world That s good news If we let go of this truth we become servants of the world and not God We also lose the great joy and abundant life that God intended us to have in community Jesus himself said that the world will know we are Christians by our love for one another not the fervor of our activism Social action makes us feel relevant and alive but it can t be the center of our new life in Christ Endangered Gospel explores how we might enthusiastically embrace the social dimensions of the gospel without divorcing them from the church or forcing them on the world Read this book hear the gospel story afresh and embrace the good news of God s kingdom embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%
