Empowered Evangelicals Rich Nathan, 1995 After years of witnessing the sometimes rancorous controversy between the Evangelical and Pentecostal camps authors Rich Nathan and Ken Wilson suggest it s way past time to recognize that there s really only one camp It is unnecessary to choose between the biblical emphasis of the great Evangelical tradition and the spiritual vitality of the Pentecostal and Charismatic traditions A new breed of believers called Empowered Evangelicals has arisen to combine the best elements of both traditions In this revised and updated edition Empowered Evangelicals

Just as baby boomers comprise the largest generation in America's history they also represent the largest percentage of current senior pastors in American churches Boomer pastors all over the country are struggling to transition from their roots in twentieth century church culture to ministry and leadership in our challenging twenty first century and this transition must take place for traditional churches to be a relevant factor in world redemption In *The Pickled Priest and the Perishing Parish* Boomer Pastors Bouncing Back Senior Pastor Hal West himself a baby boomer offers essential insights and words of inspiration for pastors leaders and Christians who desire to see renewal and transformation in their churches in America and in themselves The challenges facing traditional churches and the boomer pastors who lead them are many not the least of which are pastors' ensconced perspective of their own spiritual formation theological training and experience In his unique conversational and at times humorous tone Pastor Hal West first offers proof through his own pickled perspective and then explores with help from the lessons of biblical prophets like Isaiah and Nehemiah how boomer pastors can and must bounce back Change is challenging but in our day of cultural conflict political corruption and spiritual crisis change is imperative It falls to church leaders regardless of their decades of experience in ministry and leadership to approach transformation with an open mind and provide guidance vision and restoration to their churches and the souls they serve
