**The Sayings of Moses** Dan Cohn-Sherbok, 1991 This series collects together the best known aphorisms epigrams and reflections of a wide variety of figures from antiquity to our own age humorists and novelists poets and philosophers politicians and playwrights 1000 Qudsi Hadiths: An Encyclopedia of Divine Sayings Arabic Virtual Translation Center, 2012-01-23 Next to the Qur'an Islam's holiest text is qudsi hadith Based on this premise Islamic scholars have always been fascinated with the collection and study of this type of hadith The first scholar to have an exclusive collection of qudsi hadiths was Zahir Bin Tahir Abu Al Qasim Al Shahhami in the twelfth century Then came Abu Al Hasan Al Lakhmi who collected forty qudsi hadiths in a book titled Al Arba in Al Ilahiyyah Forty Divine Hadiths And then came Al Nawawi Ibn Arabi Al Munawi and Al Madani who collected 99 101 278 and 863 qudsi hadiths respectively When we set out to produce a book of qudsi hadith in English our goal was very clear to produce a book that has every qudsi hadith ever reported We collected 1230 qudsi hadiths in a book we titled 1000 Qudsi Hadiths An Encyclopedia of Divine Sayings 1000 Qudsi Hadiths is not only the biggest collection of qudsi hadiths in English it is the biggest collection of qudsi hadiths ever put together in any language including Arabic It contains all the qudsi hadiths reported by major hadith reporters such as Al Bukhari and Muslim as well as all the qudsi hadiths reported by auxiliary hadith reporters such as Al Tabarani Al Bayhaqi Al Hakim Al Naysaburi Ibn Hibban Ibn Khuzaymah Al Daylami Ibn Hajar Al Suyuti Al Muttaqi Al Hindi Al Mundhiri Al Haythami and Ibn Kathir The book derives its content from the biggest 216 hadith books ever written What makes this encyclopedia so unique is not just the overwhelming number of qudsi hadiths it contains but the fact that each qudsi hadith is listed with full sanad source and rating from sahih to mawdu Furthermore each qudsi hadith is clearly stated and explained with more than 1300 footnotes After many years of continuous research and translation the Arabic Virtual Translation Center is proud to present not only the biggest and most comprehensive collection of qudsi hadiths in history but much more importantly an indispensable beacon of Islamic literature to academicians and students of hadith for many generations to come Sayings of the Jewish Fathers Charles Taylor, 1897 **Old Testament Quotations in the Fourth Gospel** M. J. J. Menken, 1996 From the very beginning of Christianity Jesus followers have tried to legitimize their views of him with the help of the Scriptures This means that if we wish to understand the beginning of the Christian church and of Christian theology we have to examine the early Christian use of the Old Testament A conspicuous way of using the Scriptures consists in directly quoting from them Eleven OT quotations in the Fourth Gospel are the topic of this study These eleven quotations in fact the majority of John's OT quotations differ from the known versions of the OT but are not free paraphrases of the OT text in some cases it is not immediately clear from which passage precisely the evangelist quotes This state of affairs raises the questions which OT passages in which versions John used and how and why the quotations were modified In this study the questions of source and of redaction are dealt with in their interrelationship Can we adequately explain the form of a quotation by taking into

account Johannine redaction of an OT passage in a textual form which we know which we can reasonably argue Results of research in the field of early Jewish and early Christian exegetical techniques and devices are of course taken into account Each of the eleven quotations is scrutinized on the points of source and redaction It appears that John mostly used the LXX but that where that translation did not suit his purposes he either translated the Hebrew himself or used an other translation He modified the quotations in agreement with extant exegetical rules and for christological reasons This study gives new insight into an aspect of the early Christian use of Scripture     *The Sayings of the Desert Fathers* ,2023-12-15 Give me a word Father visitors to early desert monks asked The responses of these pioneer ascetics were remembered and in the fourth century written down in Coptic Syriac Greek and later Latin Their Sayings were collected in this case in the alphabetical order of the monks and nuns who uttered them and read by generations of Christians as life giving words that would help readers along the path to salvation     **Religious Thought in the Eighteenth Century** John Martin Creed,J. S. Boys Smith,1934     *The Complete Sayings of Jesus* ,1927     **More Sayings of the Desert Fathers** ,2019-03-28 Most of the Tales and Sayings of the Desert Fathers Apophthegms have survived in Greek and most of them are now available in English almost 2500 in number A further six hundred items in six languages have been available in French for some time but often in second and even third hand translations These have now been newly translated directly from the original languages by scholars skilled in those languages and are presented alongside an Introduction and brief notes to the English reader who wishes to know more of those men and some women who rejected the world and went to live in the desert regions of Egypt and elsewhere in the fourth to seventh centuries     Professor Smith and His Apologists. A Few Words Concerning ... 'The Authority of Scripture Independent of Criticism, by James S. Candlish, D.D.', and ... 'A Plain View of the Case of Professor W. Robertson Smith, by the Rev. Wm. Miller, M.A.' With an Appendix Containing Remarks on the Article 'Apocrypha' by Professor A.B. Davidson, in the New Edition of the 'Encyclopaedia Britannica' William Robertson Smith,1878     **Sayings of the Jewish Fathers Comprising Pirqe Aboth in Hebrew and English with Notes and Excursuses** Charles Taylor,1897     **The Sayings and Stories of the Desert Fathers and Mothers** ,2023-11-20 The Sayings and Stories of the Desert Fathers and Mothers offers a new translation of the Greek alphabetical Apophthegmata Patrum The Sayings of the Desert Fathers For the first time in an English translation this volume provides extensive background and contextual notes significant variant readings in the alphabetical manuscripts and textual differences vis vis the systematic and anonymous Apophthegmata reference notes to both quotations from Scriptures and the many allusions to Scripture in the sayings and stories In addition there is an extensive glossary that offers information and further resources on people places and significant monastic vocabulary Perfect for students and enthusiasts of the desert tradition     *The Book of Paradise Being the Histories and Sayings of the Monks and Ascetics of the Egyptian Desert* Hieronymus Palladius,1904     *Sacred Writings in Two Volumes: Confucian, Hebrew, Christian Part I. The sayings of Confucius* ,1910     *The Words of Solomon* Wayne

Graham,2017-07-17 The Words of Solomon is an in depth study of the first nine chapters of Solomons Proverbs as recorded by the Old King James Bible These are the chapters which provide a continuous narrative that is told from the perspective of a Hebrew father instructing his son to pursue Wisdom through obedience to Gods law The remaining chapters of Proverbs go on to address a wider array of random godly principals and their practical application to human life on earth In an effort to better understand these ancient teachings the father son relationship between Solomon and David is first examined and found to be lacking Like many fathers of today King David was a very complex and busy man but he was also the only man described by God as a man after my own heart The Proverbs show us that Solomon had devoured his fathers own writings the psalms and incorporated them into an easier understood text which was then chronologically arranged as a manual for a functional father son relationship It should be no surprise that Israels wisest king wrote a literary masterpiece capable of being interpreted on multiple levels of understanding Solomons hidden nuggets of precious wisdom written three thousand years ago are brought to the surface to transcend the boundaries of time for a twenty first century application Reading this book will convince all of Wisdoms students that mining Solomons gold is a very worthy pursuit **Christianity**
