

An anime-style illustration of a girl with long, flowing white hair and large, expressive blue eyes. She is wearing a dark, high-collared coat with a white lace-up detail at the neck. She has large, black, over-ear headphones on her head. The background is dark and filled with various elements: several circular speaker-like motifs, white snowflake-like patterns, and vertical grey bars of varying heights. Swirling lines of light pink and white energy or sound waves emanate from her head and hair. The overall aesthetic is a blend of music and winter themes.

But at a party, Dani meets a magnetic man who promises to teach her how to get filthy. Hunter Maddox is rich, powerful and bored as hell. Another dull summer in Coral Beach stretches out before him in an unending series of days. But when a certain curvy virgin shows up, suddenly life gets a lot more interesting. He is gonna corrupt this sweet girl for what it's worth, but what happens when his heart gets caught in the game? Hey Readers, Get ready to squirm in your seat as the curvy girl learns her lesson at the hands of the powerful alpha male. But don't worry, we know you love the panty wetting action. Aum Shinrikyo - Japan's Unholy Sect Rei Kimura, 2017-03-09 On the 26th of March 1995, sarin gas was released in a Tokyo subway station crammed with morning rush hour commuters and all hell broke loose. In the aftermath of anguish, death, painful injuries and broken lives, the deadly action was traced back to a cult called Aum Shinrikyo. What lay behind this ferocious lashing the cult had given to the orderly, uncluttered society Japan was so proud of? What dark, sinister secrets lay behind the walls of the Aum Shinrikyo compound in Kamikuishiki, at the peaceful foothills of Mount Fuji? Tsutsumi Sakamoto, a Yokohama lawyer, took up the challenge of finding answers to these questions, and one cold gray November morning in 1995, the young attorney, his wife and ten-month-old son disappeared without a trace. This is the chilling story of how a young lawyer sacrificed his life and that of his poignantly young family to stem the reign of terror of the cult's guru, Shoko Asahara. The investigation into the cult that followed uncovered a chilling trail of murders, disappearances and evil plans to destroy mankind with nerve gas and other weapons of mass destruction. For six long years, Tsutsumi Sakamoto called out from his lonely hillside grave, and on September the 6th, 1995, he was heard at last. His body was discovered, and the crab shells strewn all around told a chilling tale of how his killers had coldly feasted on crabs as they threw his body into that lonely, unmarked grave he did not deserve. Sakamoto and his family had died to right a social wrong and to expose the evil plans of deadly terrorists crouching dangerously behind the cloak of religion. The rest was up to the living.
