Robust Ethics Erik J. Wielenberg, 2014-09-25 Erik J Wielenberg draws on recent work in analytic philosophy and empirical moral psychology to defend non theistic robust normative realism and develop an empirically grounded account of human moral knowledge Non theistic robust normative realism has it that there are objective non natural sui generis ethical features of the universe that do not depend on God for their existence The early chapters of the book address various challenges to the intelligibility and plausibility of the claim that irreducible ethical features of things supervene on their non ethical features as well as challenges from defenders of theistic ethics who argue that objective morality requires a theistic foundation Later chapters develop an account of moral knowledge and answer various recent purported debunkings of morality including those based on scientific research into the nature of the proximate causes of human moral beliefs as well as those based on proposed evolutionary explanations of our moral beliefs

Creedal Apologetics Nancy A. Almodovar, 2021-03-19 The Apostles Creed was used in two distinct ways by the early Christian church first as a tool to teach new disciples the essentials of the faith and second as a defense for the faith from unbelievers and skeptics alike In the world today many are engaged in apologetics but with their presuppositions and subjective reasoning they offer the world nothing different than their own subjective beliefs Using the Apostles Creed as a guide enables the Christian to give a hope for the faith within using objective truths based on eyewitness testimony This book teaches you how to use the Creed to stay on topic and bring out the essentials of the faith in a concise and graceful manner Dr Almodovar gives a rubber hits the road approach to apologetics offering various scenarios to show how Creedal apologetics is accomplished This simple tool the Apostles Creed once used for defense is dusted off polished up and sharpened so that today's Christians can defend and proclaim the great gospel of Jesus Christ to a world in desperate need of the forgiveness of sins and new life in his name

10 Answers for Atheists Alex McFarland, 2012-09-28 With notable nonbelievers such as Richard Dawkins Sam Harris and Christopher Hitchens featured prominently in the media it is no surprise that many Christians wonder how best to answer the growing number of atheist arguments they encounter every day 10 Answers for Atheists is a one of a kind resource from respected Christian apologist Alex McFarland that looks closely at the philosophical assumptions at the root of

atheism and agnosticism and exposes the logical historical and conceptual fallacies that perpetuate unbelief Readers will find easy to understand charts and clear explanations of key beliefs as well as trustworthy biblical answers to the honest questions posed by atheists and agnostics Every reader no matter where he or she falls on the spectrum of belief will hear a call to thoughtful engagement with the historic Christian faith **Cultural Apologetics** Paul M. Gould,2019-03-12

Renewing the Christian voice conscience and imagination so that we can become compelling witnesses of the Gospel in today's culture Christianity has an image problem While the culture we inhabit presents us with an increasingly anti Christian and disenchanted position the church in the West has not helped its case by becoming anti intellectual fragmented and out of touch with the relevancy of Jesus to all aspects of contemporary life The muting of the Christian voice its imagination and its collective conscience have diminished the prospect of having a genuine missionary encounter with others today Cultural apologetics attempts to demonstrate not only the truth of the Gospel but also its desirability by reestablishing Christianity as the answer that satisfies our three universal human longings truth goodness and beauty In Cultural Apologetics philosopher and professor Paul Gould sets forth a fresh and uplifting model for cultural engagement rooted in the biblical account of Paul's speech in Athens which details practical steps for establishing Christianity as both true and beautiful reasonable and satisfying You'll be introduced to The idea of cultural apologetics as distinct from traditional apologetics The path from disenchantment with how we understand reality to re-enchantment with the reality of the spiritual nature of things The practical tools of good cultural engagement conscience reason and imagination Equip yourself to see and help others see the world as it is through the lens of the Spirit deeply beautiful mysterious and sacred With creative insights Cultural Apologetics prepares readers to share a vision of the Christian faith that is both plausible and desirable offering clarity for those who have become disoriented in the haze of modern Western culture **The Complete Bible Answer Book** Hank

Hanegraaff,2009-03-03 This beautiful leather bound Collector's Edition will allow you to dig deeper and find the answers you've been looking for Hank Hanegraaff has heard it all He knows what questions plague believers and nonbelievers And he's done something about it he's spelled out the answers The Complete Bible Answer Book is a simple guide covering over 170 of the top questions that the Bible Answer Man has dealt with in his ministry Topics include parents and kids religions difficulty faith fear sin salvation and many more issues vital to understanding the path to better understanding God Each question is approached in Hanegraaff's scholarly easy to understand style and he even suggests additional sources for readers who want to explore the topics further *Emails to a Young Seeker* David S. Hogsette,2011-03-03 As popular advocates for new atheism clash with intellectually gifted Christian apologists the debates rage on At the end of the day after the lecture halls clear and the thumb worn books are put back on the shelves the participants in these battles of ideas remain firmly entrenched in their positions Yet there are many sincere seekers and committed Christians going about their workaday lives wondering how all of these discussions relate to their own questions and struggles with faith *E-mails to a Young Seeker*

Exchanges in Mere Christianity offers a glimpse into how everyday individuals struggle with these heady and relevant questions and debates Based upon actual e mail exchanges with sincere seekers David Hogsette illustrates the importance of grappling with penetrating questions from sincere hearts and thoughtful minds The questions are real the concerns run deep and the desire for reasonable and meaningful answers is clear This book offers succinct yet comprehensive answers to real life questions and it demonstrates that true apologetic evangelism requires a commitment of time and a devotion to relationship Drawing from such disciplines as science philosophy literature and biblical studies E mails to a Young Seeker provides detailed discussions of many important questions about the existence of God the reliability of the Bible and key Christian doctrines such as sin heaven hell the Trinity Christ s sacrificial and atoning death the resurrection and salvation through faith in Christ alone Readers be they seekers in search of answers or Christians wanting to strengthen their faith or develop strategies for sharing their faith with others will greatly benefit from these discussions and the extensive reading lists provided at the end of the exchanges

THE THOMAS FACTOR Gary R. Habermas, 2023-12-06 In *The Thomas Factor* Gary R Habermas presents a transformative exploration of religious doubt and its potential as a catalyst for spiritual growth This insightful book delves into the often misunderstood territory of doubt revealing how it can be harnessed as a powerful tool for deepening one s faith and drawing closer to God Habermas with his extensive experience and empathetic approach offers a lifeline to believers struggling with uncertainties in their spiritual journey At the heart of the book is the dissection of three types of doubt factual emotional and volitional Habermas through his own experiences and those of the individuals he has counseled demonstrates that doubts are not a sign of weak faith but rather an opportunity for profound personal growth He skillfully navigates the reader through the complexities of each doubt type providing practical strategies for overcoming them The book is enriched with examples from both the Old and New Testaments showcasing that doubt has been a constant companion of even the most steadfast believers throughout history In debunking common myths about doubting Habermas sets the stage for building a resilient foundation for faith Practical chapters guide the reader in developing a tailored strategy to address their doubts This includes disciplines like prayer Scripture memorization journaling and practicing Christian behavior Habermas emphasizes that working through doubts is not just an intellectual exercise but involves the whole person emotions will and intellect *The Thomas Factor* does not shy away from the tougher aspects of theological inquiry It addresses why theological differences exist and how to live with unanswered questions thus equipping the reader to navigate the diverse landscape of Christian thought Habermas concludes with a thoughtful discussion on the negative and positive

consequences of doubt He illustrates how doubt when approached correctly can lead to a stronger more authentic faith likening the process to refining gold This book is an invaluable resource for anyone grappling with doubts about their faith It offers not only solace and understanding but also practical tools for turning doubt into a stepping stone towards a more intimate and robust relationship with God Target Audience The Thomas Factor is ideal for Christians at any stage of their faith journey particularly those wrestling with doubts or seeking a deeper understanding of their beliefs It is also a valuable resource for pastors counselors and lay leaders who provide spiritual guidance and support **A Thematic**

Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Threshold: Aperture to the Light of the World, **Outgrowing God?** Peter S. Williams, 2020-09-30 Join a cast of characters with different perspectives thinking through some of the biggest questions in life as they discuss atheist Richard Dawkins's book *Outgrowing God: A Beginner's Guide* Written in the form of a dialogue between members of a student book club *Outgrowing God: A Beginner's Guide* to Richard Dawkins and the God Debate encourages critical thinking about Professor Dawkins's arguments concerning God Jesus and the Bible **The Love of Wisdom** Steven B. Cowan, James Spiegel, 2009-04-01 This Christian based introduction to philosophy textbook is all the more appealing to its student audience for including humor and popular culture illustrations to teach important concepts **The Knowledge of God in the World and the Word** Douglas Groothuis, Andrew I. Shephardson, 2022-12-06 Intellectual support for defending your faith *Knowledge of God in the World and the Word* is a clear and succinct introduction to classical Christian apologetics that also addresses the most common objections to natural theology Amid the crisis of authority in our modern and postmodern era Christians need to be able to point to God's revelation in the natural world in addition to defending God's unique revelation in the Bible and in the person of Jesus Christ Classical apologetics takes a two step approach to commending the Christian picture of

reality first establishing arguments for the existence of God and then defending key items of Christian revelation including The reliability of the Bible The identity of the historical Jesus The resurrection of Jesus Christ from the dead With this book you will discover an easy point of entry into understanding why Christian beliefs about Jesus are true and rational Perfect for any Christian who wants to articulate a sophisticated and comprehensive defense of their faith *Introducing Apologetics* James E. Taylor, 2006-03-01 Questions about the truthfulness of Christianity deserve thoughtful balanced and reasonable answers James Taylor provides a fresh comprehensive survey of the many methods of Christian apologetics using a unique whole person approach He addresses core apologetics issues facing Christians in the twenty first century including the evidence for God s existence the challenge of evil the uniqueness of Jesus Christ world religions and more This accessible text now in paper will appeal to students and all who wrestle with intellectual obstacles to faith Each chapter contains an outline summary list of basic terms reflection and discussion questions and guide to further reading Chapter overviews and sidebars enhance the text *The Forest and the Trees* Richard A. Widder, Wendy Widder, 2008-03-01 Why do we have to learn this For as long as there have been students teachers have been answering this question but we haven t always answered it very well for our students or for ourselves We sometimes forget that everything we teach whether sacred or secular has value because it is part of God s truth and integrating that truth across the curriculum is what makes an education Christian This book from a father and daughter team of seasoned Christian educators offers a comprehensive biblically based presentation of integration Its goal is to help readers view all aspects of the curriculum within the framework of God s story as told from Genesis to Revelation By organizing subject areas under five broad categories nature people communication beauty and ultimate issues the authors demonstrate that each subject area flows from the biblical story Each chapter concludes with a summary of the truths presented a set of teacher tips and a list of additional resources *On the Origin of Consciousness* Scott D. G. Ventureyra, 2018-11-29 Have you ever thought about how self consciousness self awareness originated in the universe Understanding consciousness is one of the toughest nuts to crack In recent years scientists and philosophers have attempted to provide an answer to this mystery The reason for this is simply because it cannot be confined to solely a materialistic interpretation of the world Some scientific materialists have suggested that consciousness is merely an illusion in order to insulate their worldviews Yet consciousness is the most fundamental thing we know even more so than the external world since we require it to perceive or think about anything Without it reasoning would be impossible Dr Scott Ventureyra in this ground breaking book explores the idea of the Christian God and Creation in order to tackle this most difficult question He demonstrates that theology has something significant to offer in reflection of how consciousness originated in the universe He also makes a modest claim that the Christian conception of God and Creation provide a plausible account for the origin of self consciousness He integrates philosophy theology and science in an innovative way to embark on this exploration
