against her she chose to fight not surrender She channeled her energies in an area of much needed reform the rights of a married woman and specifically those of a mother Over the next few years she campaigned tirelessly achieving her first landmark victory with the Infant Custody Act of 1839 Provisions which are now taken for granted such as the right of a mother to have access to her own children owe much to Caroline who was determined to secure justice for women at all levels of society from the privileged to the dispossessed *Original Sin* Henri Blocher,2000-10-02 In this New Studies in Biblical Theology volume Henri Blocher offers a philosophically sophisticated treatment of the biblical evidence for original sin interacting with the best theological thinking on the subject and showing that while the nature of original sin is a mystery only belief in it makes sense of evil and wrongdoing **Bowker's Guide to Characters in Fiction** ,2003 *Men in Eden* William Benemann,2012-10-01 The American West of the nineteenth century was a world of freedom and adventure for men of every stripe not least also those who admired and desired other men Among these sojourners was William Drummond Stewart a flamboyant Scottish nobleman who found in American culture of the 1830s and 1840s a cultural milieu of openness in which men could pursue same sex relationships This book traces Stewart s travels from his arrival in America in 1832 to his return to Murthly Castle in Perthshire Scotland with his French Canadian Cree Indian companion Antoine Clement one of the most skilled hunters in the Rockies Benemann chronicles Stewart s friendships with such notables as Kit Carson William Sublette Marcus Whitman and Jim Bridger He describes the wild Renaissance costume party held by Stewart and Clement upon their return to America a journey that ended in scandal Through Stewart s letters and novels Benemann shows that Stewart was one of many men drawn to the sexual freedom offered by the West His book provides a tantalizing new perspective on the Rocky Mountain fur trade and the role of homosexuality in shaping the American West **Descriptive List[s] of Novels and Tales** William McCrillis Griswold,1891 **A Descriptive List of Novels and Tales Dealing with American Country Life** William Maccrillis Griswold,1890 **Descriptive List[s] of Novels and Tales** William Maccrillis Griswold,1890 **A Descriptive List of Novels** ,1893 **Descriptive Lists of American, International, Romantic and British Novels** ,1891 For contents see Author Catalog **Eden's Other Residents** Michael Gilmour,2014-06-20 The Bible teems with nonhuman life from its opening pages with God s creation of animals on the same day and out of the same earth as humans to its closing apocalyptic scenes of horses riding out of the sky Animals are Adam s companions Noah s shipmates and Elijah s saviors They are at the center of ancient Israel s religious life as sacrifices and yet as Job discovers beyond human dominion It is an animal that saves Balaam from certain death by an angel s hand and an animal that carries Jesus into Jerusalem The Creator declares all of them good at the beginning and since the Apostle Paul writes of God s eternal purposes for all things on earth they are somehow part of a hoped for eschatological restoration So why are animals so often ignored in Christian moral discourse In its theological thinking and faith motivated praxis human centeredness typically results in the complete erasure of the nonhuman This book argues that this exclusion of animals is problematic for those who

see the Bible as authoritative for the religious life Instead biblical literature bears witness to a more inclusive understanding of moral duty and faith motivated largesse that extends also to Eden s other residents **Handbook of Christian**

Morison, 1892 Strange and Gaudy Fruit Jeff Nicoll, 2023-05-09 The history of Christianity includes many doctrines adopted and actions taken to meet immediate problems but which had unintended consequences they are bad fruit Matt 7 15 20 The oldest is antisemitism which arose from the competition of the early church with early Judaism It was built into the New Testament and was developed by the church fathers Having learned to dehumanize it was easy to apply the same techniques to other groups the church became complicit with enslavement misogyny and other forms of oppression One response to the bad fruit is to reject religion in the manner of Christopher Hitchens However the dogmas are part of our culture even if in secular form If the roots of marginalization are not understood they cannot be eliminated This work uses a range of critics and defenders of traditional Western Christianity to identify poisonous fruits and detoxify them The critical voices do not create a consensus Nevertheless a core can be perceived what Erasmus called the few truths Grounded in the religious tradition they can be shared with secular people as a basis for an ethical merciful and respectful society Although the history of Christianity is bloody there are ways to go forward
