God's Work-In-Progress Writing with the Scars Christine A. Vassell-Morgan,2010-03-25 This book a compilation of poems written for the purpose of capturing and relating the story of an everyday soul A soul whose life journey experienced witnessed and envisioned the struggles and unexpected unfoldings of God These incidents and events are as real as the air we breathe Some of the depictions may be terrifying They were equally terrifying and eventually humbling for this soul The book offers solace and escape as it shares anguish and happiness miracles and bewilderment God used these trials to fashion

the free spirited soul of a child into a strong empathetic and prudent woman The details captured in each stanza reveal the faithfulness of the Lord When the woman inside plunged into the deep abyss of life and groped in the parched desert she discovered her only source of escape from lifes harshness and drudge was found in Gods mercy The underlying stories may cause you to cry laugh agonize and sympathize They will share Gods Glory experienced by a soulwho was belittled rejected ridiculed battered and torn However like items at a garage sale this once tattered soul was repurchased and is now being used by God anew Christine you have made Jesus so proud of you his light is shining through your eyes and you set a perfect example of the way he would like for us all to live our lives I am thankful he has brought in my pathway you are an inspiration to me and I m sure others Thank you for sharing your diary with us I know that it was not easy but Jesus is going to use it for his good as well as keep you inspired to write more GOD BLESS YOU and YOURS Barbara Ferguson Gods Work In Progress Writing With The Scars Gods Glory in short easy to read poems is truly full of heartfelt emotions The death of a precious nurturing grandmother described through the heart of a child with the tenderness and truthfulness only a small child would know The raw emotions spilled out after being severely beaten by her mother the hurt following through her life until her heavenly father freed her from the emotional baggage taught through forgiveness I would rate this book on a scale of 1 5 a well earned 5 for the freshness and style of this new author Pam Watson Christine Morgan has shared from her heart the life experiences that make her the person she is today a beautiful God loving God fearing and God reverencing woman When you read this book you will be moved by the events that shaped not only her life but will impact your life At times you will be moved to tears and at other times will experience pure joy This is truly a book to read and enjoy Blessings to you as you unfold the pages of life in her poems Sharan Robinson RN *Sacred Scars* Dr. Michelle Bengtson,2024-06-25 We all endure trials pain and hardship in this life The enemy often uses those experiences to convince us that our brokenness disqualifies us from ever being used by God again that we can no longer be a testimony because of our emotional or physical scars The truth is your past pain and brokenness actually serve as preparation for what God wants to do in you and through you if you will but surrender to and trust in him In *Sacred Scars* neuropsychologist and fellow sufferer Dr Michelle Bengtson helps you understand suffering through a biblical perspective discover how the trials of your life serve a purpose reflect on the healing that God has accomplished comfort others with the comfort God has given you Just as Jesus s scars didn t disappear after his resurrection our scars tell our story and lend credence to our testimony of the love and power of God If you are ready to turn your past pain into present comfort and future hope let Dr Bengtson be your compassionate guide **Finding God Beyond Harvard** Kelly Monroe Kullberg,2009-04-21 Engaging narrative and provocative content come together in this mind stretching and heart challenging journey Come with Kelly Monroe Kullberg on an intellectual road trip as The Veritas Forum explores the deepest questions of the university world and the culture at large Discover that Veritas transcends philosophy or religion and instead brings us to true life **What do you do With the Scars?** Lori Mulder Cahill,2010-05-10 *Turning*
