**David Malouf**

## Scared One:

*Juan Mayorga* Jerelyn Johnson, David Johnston, 2024-04-29 *Juan Mayorga Six Plays* is the first collection of Spanish dramatist Juan Mayorga's plays in English offering a compelling insight into the extraordinary range and quality of one of the Spanish speaking world's most distinctive voices. The six plays are presented in translations that are both readable and eminently performable. Each is accompanied by a translator's note that discusses the strategies and decisions used in making the play performable in English as well as the play's key themes. The book also features an introduction to Mayorga's life and work emphasising his commitment to plays whose range of forms and innovative theatre making practice reimagines the nature of theatre and performance each time anew. The plays themselves are brilliant treatises on our times inspiring conversation about and critical examination of our troubled world. These scripts will be of interest to professional practitioners but are no less suited to both university and amateur settings making this the definitive collection of Mayorga's work in English for theatremakers, students and scholars.

**Dance Floor Democracy** Sherrie Tucker, 2014-10-23 Open from 1942 until 1945 the Hollywood Canteen was the most famous of the patriotic home front nightclubs where civilian hostesses jitterbugged with enlisted men of the Allied Nations. Since the opening night when the crowds were so thick that Bette Davis had to enter through the bathroom window to give her welcome speech, the storied dance floor where movie stars danced with soldiers has been the subject of much U.S. nostalgia about the Greatest Generation. Drawing from oral histories with civilian volunteers and military guests who danced at the wartime nightclub, Sherrie Tucker explores how jitterbugging swing culture has come to represent the war in U.S. national memory. Yet her interviewees' varied experiences and recollections belie the possibility of any singular historical narrative. Some recall racism, sexism and inequality on the nightclub's dance floor and in Los Angeles neighborhoods, dynamics at odds with the U.S. democratic egalitarian ideals associated with the Hollywood Canteen and the Good War in popular culture narratives. For Tucker, swing dancing's torque, bodies sharing weight, velocity and turning power without guaranteed outcomes is an apt metaphor for the jostling narratives, different perspectives, unsteady memories and quotidian acts that comprise social history.

*Suppose and Tell* Timothy Williamson, 2020 What does 'if' mean? This book argues for a new approach to understanding conditionals based on the idea that in assessing them we are guided by psychological heuristics: fast and frugal methods, mostly but not always reliable, although the user may have no advance warning from the inside of their fallibility. As a result, philosophers and linguists have been led astray in theorizing about conditionals because they have taken erroneous judgements about examples as data. Simple theories have been too quickly dismissed. The main heuristic involves making a supposition and exploring its consequences often in the imagination. Although powerful, this method can lead to paradoxes. A secondary heuristic is to accept heuristics are sometimes in tension. However, formal results help show why the simple material semantics makes the best sense of the two heuristics even though they generate apparent counterexamples to that semantics. The second half of

the book presents a new theory of the meaning of counterfactuals about what would be if things were different it is explained in terms of the separate meanings of if and would This account is applied to the role of counterfactuals in thought experiments Suppose and Tell The Semantics and Heuristics of Conditionals analyses a wide variety of linguistic data and discusses the cognitive value of conditionals in our lives from everyday decision making to mathematical proofs Wider implications are drawn for the nature of meaning and its non transparency to native speakers vagueness in thought and language and the need for semantics to attend to the unreliable heuristics underlying our judgements Book jacket

**The Complete Stories** David Malouf,2007 A compilation of new and previously published short stories of the Australian author revealing the role of family memory exile and chance in the lives of ordinary people

**Mi Voz, Mi Vida** Andrew Garrod,Robert Kilkenny,Christina Gómez,2007-03-22 Amid the flurry of debates about immigration poverty and education in the United States the stories in Mi Voz Mi Vida allow us to reflect on how young people who might be most affected by the results of these debates actually navigate through American society The fifteen Latino college students who tell their stories in this book come from a variety of socioeconomic regional and family backgrounds they are young men and women of Mexican Puerto Rican Cuban Dominican Central American and South American descent Their insights are both balanced and frank blending personal anecdotal political and cultural viewpoints Their engaging stories detail the students personal struggles with issues such as identity and biculturalism family dynamics religion poverty stereotypes and the value of education Throughout they provide insights into issues of racial identity in contemporary America among a minority population that is very much in the news This book gives educators students and their families a clear view of the experience of Latino students adapting to a challenging educational environment and a cultural context Dartmouth College often very different from their childhood ones

**The Frighteners** Peter Laws,2018-09-25 The Frighteners is a bizarrely compelling laugh out loud exploration of societies fascination with the dark spooky and downright terrifying side of life The author self proclaimed sinister minister opens the book by reflecting on how he went from a horror obsessed atheist to a God fearing Christian and

then reconciled his love of the macabre with his new faith In the chapters that follow Laws takes us on a worldwide romp to shine light on the dark corners of our own minds An American hell house controversial Christian haunted houses that act out the horrors of abortion drug use etc hosts his reflection on the use of horror in religion A party in London with real life vampires exemplifies modern sexual fascination with the parasitic undead He goes ghost hunting in an underground barbershop where a murderer used to cut hair A professor in Denmark who is an expert on the recent Slenderman court case helps him explore the link between technology and the supernatural In accessible and light hearted prose Peter Laws takes us from the dark corners of his mind to the underbelly of various macabre cultures to illuminate society s preoccupation with death and horror The Frighteners combines psychology religious theory and personal memoir to create a dynamic and fascinating read that is informative and entertaining

**The First Heroes** Craig Nelson,2003-09-30 Immediately after Japan s attack on Pearl Harbor President Franklin D Roosevelt sought to restore the honor of the United States with a dramatic act of vengeance a retaliatory bombing raid on Tokyo On April 18 1942 eighty brave young men led by the famous daredevil Jimmy Doolittle took off from a navy carrier in the mid Pacific on what everyone regarded as a suicide mission but instead became a resounding American victory and helped turn the tide of the war The First Heroes is the story of that mission Meticulously researched and based on interviews with twenty of the surviving Tokyo Raiders this is a true account that almost defies belief a tremendous human drama of great personal courage and a powerful reminder that ordinary people when faced with extraordinary circumstances can rise to the challenge of history

Multicultural Teaching in the Early Childhood Classroom Mariana Souto-Manning,2015-04-24 This unique book features an array of approaches strategies and tools for teaching multiculturally in the early years The teachers and classrooms portrayed here provide young children with rich educational experiences that empower them to understand themselves in relation to others You will see how amazing teachers engage in culturally responsive teaching that fosters educational equity while also meeting state and national standards such as the Common Core State Standards This engaging book is sprinkled with questions for reflection and implementation that encourage educators to start planning ways of enhancing their own teaching making their early childhood setting a more equitable learning space Book Features Multicultural education in action including the everyday issues and tensions experienced by children and their families Powerful vignettes from diverse Head Start preschool kindergarten 1st and 2nd grade classrooms throughout the United States Sections on Getting Started and Considering Obstacles and Exploring Possibilities in each chapter A list of multicultural children s books and resources for further reading Chapters Multicultural Tools and Strategies for Teaching Young Children Multicultural Education as Transformative Education Interviews Encouraging Children to Ask Questions Critical Inquiry Supporting Children s Investigations Culture Circles with Multicultural Literature Addressing Issues of Fairness Community Resources and Home Literacies Developing Funds of Knowledge Technology Media ting Multicultural Teaching Storytelling and Story Acting Creating Spaces for

Children to Negotiate Change Reflecting on the Possibilities of Teaching Multiculturally What Next What If Mariana Souto Manning is Associate Professor of Education in the Department of Curriculum and Teaching at Teachers College Columbia University A profound rich and rewarding meditation and deep conversation with teachers fully engaging young children with culture social history and learning for the future This wide ranging book escapes temporal spatial and disciplinary boundaries Read it and reflect on how you can take it into your own life of learning Shirley Brice Heath Professor Emerita Stanford University Early childhood educators will experience this unique book as a warm and detailed invitation to engage in multicultural education The emphasis throughout is on multi multiple pedagogical approaches from culture circles to podcasts to story acting and multiple cultural heritages embodied by active children and teachers From a critical perspective and alongside creative teachers who aspire to be transformative Souto Manning links accessible theory with rich and thoughtful practices Celia Genishi Professor of Education Teachers College Columbia University Mariana Souto Manning's Multicultural Teaching in the Early Childhood Classroom rightly places the use of deficit thinking and ineffective teaching strategies in the wasteland of classroom instruction The author superbly documents and explains ways of teaching multiculturally that will richly benefit the learning of all students and make teaching become the fun that teachers dreamed it would be when they first said I want to teach because I love kids Carl A Grant Hoefs Bascom Professor University of Wisconsin Madison Multicultural Teaching in the Early Childhood Classroom encourages teachers to honor affirm and challenge even our very youngest children to think inclusively critically and democratically a necessity if we are to help develop knowledgeable caring and empowered learners Sonia Nieto Professor Emerita University of Massachusetts Amherst

**Three Summers** Margarita Liberaki, 2019-07-09 Three sisters three summers This coming of age novel offers a sweet light and dreamy escape to one of Athens oldest suburbs before WW2 Lit Hub Following Woolf Liberaki captures life as it is lived in small moments of being especially of female domestic rituals Electric Literature Three Summers is the story of three sisters growing up in the countryside near Athens before the Second World War Living in a big old house surrounded by a beautiful garden are Maria the oldest sister as sexually bold as she is eager to settle down and have a family of her own beautiful but distant Infanta and dreamy and rebellious Katerina through whose eyes the story is mostly observed Over three summers the girls share and keep secrets fall in and out of love try to figure out their parents and other members of the tribe of adults take note of the weird ways of friends and neighbors worry about and wonder who they are Now back in print after twenty years Karen Van Dyck's translation captures all the light and warmth of this modern Greek classic **The**
