Colilli,1999-10-28 With the great merit of Aristotle's Poetics poetic logic became a theoretical activity endowed with a philosophical nature allowing it to be more philosophical than the pure representation of existence Today however the theoretical status of poetic logic has been greatly demoted The Angel's Corpse restores to poetic logic or lyric philosophy the cognitive and epistemological significance attributed to it by Aristotle The Angel's corpse the central metaphor in this restoration is a sign post beyond which there exists an uncharted terrain of human signification This terrain is expressed in terms of lyric philosophy and its universal trait is a shocking into reawakening which is linked to the dissolution of the repetitive logic of history With this book Colilli aims to bring to life the traits that are close to the Angel and which amount to a new philosophy of culture and interpretation This philosophy is free from the ideological burden of previous systems but pivots its cognitive epistemological premises on the idea of reawakening Constant Elizabeth Munro,2015-04-01 As a Core Alliance soldier Rye knows the grind of skirmishes on one forgotten planet after another Then six years ago he discovered loss when the woman who meant everything died in his arms Now a chance meeting brings her back into his life Under pressure to hide her from his superiors and rocked by the truths hidden in her past Rye can only take one path Follow his heart until every piece of it and hers heals Angel has secrets why she joined Core and why she never sought Rye out when her body was stolen from cryo and put back together She fights her own battle against the Aphids at first for vengeance and now to protect the little piece of Rye she brought back from the other side When she finds herself back in Core hands she has no choice but to allow Rye to take her home and in doing so she endangers far more than the quiet community which brought her back to life **Atavus** K L Jones,2019-08-29 A time will come when you believe everything is finished That will be the beginning The return of an old face gives rise to difficult questions loyalties divide and order crumbles in this the bloody finale to the series Battle God Emperor Feng ShiSanLang,2020-09-05 The invincible Heaven Fighting Saint was betrayed by his celestial wife and brothers He was reborn in his youth and swore to become the War God Emperor in this world He would crush all strong enemies and peerless beauties and beat them up A hot blooded battle with no end in sight In the vast and boundless Pangu Continent large and small sects ancient sacred lands ancient aristocratic clans and ten thousand different dynasties competed against each other in the many secular dynasties the imperial power was supreme ruling over ten thousand miles Was it to become an ant or an ordinary spirit or to condense battle qi to become a warrior to awaken the three types of battle spirits to experience
