Scars of Vietnam Harry Spiller, 2017-01-27 A Marine Corps recruiter returns to his old stamping grounds to speak with some of the men he enlisted their families and the families of others who were killed in action Some remember their experience with a sense of patriotism others are bitter and feel forgotten by their country The 17 accounts are a reminder of the horrors of war and the lasting effects of its aftermath **Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War Supplement to Vietnam 1964-1973 Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist The Afghanistan Poppy Eradication Campaign Harry Spiller, 2017-09-11 The 16 man Black Hawk Counter Narcotics Infantry Team served as an advisory and training unit for the Afghanistan National Army during a poppy eradication operation in Helmand province in 2008 and 2009 For 75 days they fought extreme heat sand storms and the Taliban to eradicate 11 2 tons of poppy seed and earn the respect of Afghan troops Although the U S team they relieved had lost half its men during operations the Black Hawks came through unscathed This book chronicles

their mission in a little known theater of the Afghanistan War      *Prisoners of Nazis* Harry Spiller,2015-09-02 The Nazis called them Kriegsgefangen a term that the prisoners of war shortened to Kriegie The nickname hid the reality for the nearly seven million POWs who were placed in the German camps during World War II These men consistently faced food shortages medical needs were often ignored barracks were barely heated and personal hygiene was nearly impossible Conditions depended on the soldiers who controlled the camp Regular army guards might withhold clothing and food but generally did not physically abuse the prisoners The SS troops administered beatings torture and murders In this work 19 POWs provide a vivid and often poignant look at their treatment by the Germans The soldiers range from those captured in the D Day invasion to B 17 crew members shot down during bombing raids      **Supplement to Vietnam 1964-1973** ,2005

**Support Programs for Ex-Offenders** Harry Spiller,2014-01-10 The United States has the highest documented incarceration rate in the world in 2008 for every 100 000 citizens 764 were in jails or prisons With nearly half of ex convicts committing crimes after their release numerous support programs exist to facilitate their successful reintegration to society This is a directory of ex offender programs run by the national government as well as by individual states and Puerto Rico Virgin Islands Washington D C Addresses phone numbers and web sites are listed for all organizations that aid the ex convict in locating employment housing support groups clothing and food A vital resource for both organizations and individuals interested in the rehabilitation of released offenders      Special Bibliography Series ,1957      *My Vietnam War* Dave Morgan,2014-08-05 My Vietnam War is Dave Morgan s story A typical 20 year old he was forced into extraordinary circumstances in Vietnam Far from his carefree youth the Vietnam War would expose Dave to an atmosphere of ever present danger and sheer terror that would impact him forever His return to a divided Australia would isolate him further During his service Dave wrote home to his mother from Vietnam tracking the days and the events In 1992 after his mother passed away he found all of his letters with his own recollections and diary entries and the short stories of seven other veterans to capture the unbelievable danger and horror that these young men experienced in Vietnam He also describes how Vietnam established life long feelings of intense loyalty trust and mateship between the men that served there Dave s story focuses on his time as a soldier and his return psychologically exhausted to a divided nation      Families & Change Sharon J.

Price,Christine A. Price,Patrick C. McKenry,2010 Change is an integral part of any family s day to day experience Problems crises transitions and change all affect the family as our society progresses into a more complicated future Researchers and practitioners grapple with such complex issues as divorce violence and changing family structures each day and require suggestions and solutions to tough situations associated with families and change This book integrates scholarship from a variety of disciplines to address the most common problems faced by contemporary families This new edition includes a chapter on LGBT families and covers military families In addition It also has a new student study site and faculty resources
