Scenes From A Divorce A For Friends And Relatives Of A Divorcing Family:

Scenes from a Divorce Neil Paylor, Barry Head, 1983 *Divorced Fathers and Their Families* Florence W. Kaslow, 2012-12-09 This book focuses on the experience of father s lives after a divorce and how mental health professionals can help them create a healthy transition Through the use of case examples critical issues are highlighted and discussed with supportive empirical findings and clinical insights Traditionally the marital legal sessions as well as the ultimate marriage settlement focus on the issues confronted by the ex wife and mother and on the custody and visitation plan for the children This is actually supported by law in some places This can remove the father from important qualitative issues such as what it is like to have children in two households relationships with two sets of grandparents where holidays will be spent fair rotations of responsibility and how continuing parental discord can be resolved The issues examined in this volume are relevant to a range of professionals who deal with divorcing couples from psychologists and family therapists to legal advisors and judges *Publishers Weekly* ,1983 **The Publishers Weekly** ,2003 **Parents as Sexuality Educators** Susan Untener Snyder, Sol Gordon, 1984 2531 entries to monographic literature audiovisual materials and organizations Also contains section on Spanish materials Arranged according to sections for parents and professionals Each entry gives bibliographical information and annotation Miscellaneous appendixes Author subject and title indexes [Adult Children of Divorce](#) Geraldine K. Piorkowski, 2008-10-30 Romantic love is often an elusive fragile and tenuous state difficult to maintain across time The rates of divorce re divorce relationship violence and abuse today attest to the face we are failing at romantic love And for teen aged and adult children of divorce romantic love can be especially elusive Because they have no roadmap for a satisfying stable romatic relationship derived from their own parents they are confused by what love is and tend to make poor partner choices Borrowing heavily from popular culture for unrealistic standards regarding love they become disillusioned when their all too ordinary lovers don t measure up Especially vulnerable to the problems their parents had they tend to overreact in a similar negative fashion and are all too ready to consider divorce when unhappiness strikes In attempting to halt intergenerational transmission of divorce Psychologist Piorkowski points to how we can recognize that American popular culture presents an overly sexualized explosive and superficial version of love that can t last With this book adult children of divorce can begin to see how they have been affected by familial experiences and develop a new realistic map to find more fulfilling and enduring romantic relationships Piorkowski in an extensive review of literature also looks at cultural factors and how they impact romantic love and marriage In contrast to American popular culture s shallow rendition of romantic love many cultures elsewhere in the world emphasize compatibility religion and family allegiance As a result says the author such marriages appear more stable than American unions built upon the shifting sands of emotion **Ministry with Families in Flux** Richard P. Olson, 1990 **Individual Psychology** ,1984 **American Book Publishing Record** ,1984-04 **Life After Loss** Bob Deits, 2010-09-07 One of the classics in the field of crisis intervention Dr Earl Grollman Life

after Loss is the go to resource for anyone who has suffered a significant life change Loss can be overwhelming and recovery often seems daunting if not impossible With great compassion and insight Deits provides practical exercises for navigating the uncertain terrain of loss and grief helping readers find positive ways to put together a life that is necessarily different but equally meaningful With two new chapters and significant changes throughout reflecting Deits s ongoing experience in counseling Life after Loss is an essential roadmap for those in grief Lawrence J Lincoln MD Staff Elisabeth Kubler Ross Center
