

Scenes From The Life Of Cleopatra

Carol Chillington Rutter

Scenes From The Life Of Cleopatra:

Scenes from the Life of Cleopatra Mary Butts,1988 *Scenes from the Life of Cleopatra* Mary Butts,1994 This Excellent historical novel by British born writer Mary Butts is the story one of the world s most legendary women Butts presents Cleopatra and her story in a completely new light Eschewing the popular notions of Cleopatra as presented by Chaucer Shakespeare and Shaw in which Cleopatra is presented either as a tender martyr or a mindless hussy Butts presents the reader with a figure of a great ruler who had to choose her lovers in order that her kingdom could survive but who recognized throughout the danger and potential of those choices Scenes from the Life of Cleopatra Mary Aitken,1935

Mary Butts Joel Hawkes,2024-04-04 A scholarly and experimental collection that offers fresh insight with a feminist focus into the often overlooked modernist writer Mary Butts and the contested processes of recovering such an author Scholars instrumental in the recovery of Mary Butts along with newer writers publishers printers and artists enter into conversation exploring the work of the British author whose body of work plays between high modernist forms and more popular genres writing that can be described as occult Gothic queer proto environmental and feminist Taking its cue from Butts s experimental rhythmic writing and the transnational artistic communities in which Butts moved in the 1920s the collection is a non linear exchange rather than a collection of isolated arguments a conversation constructed from classical academic chapters knight s move non academic reflections and short responses to these This conversation lies at the intersection of feminism and reconstruction Chapters range between Butts s writing techniques and forms her position in the modernist canon contested sites of feminism in her work critical reception of that work queer and post critical readings and the success of and the need for a feminist recovery of the author The collection aims to be a feminist engagement while asking questions of what this might look like why it is needed and how such an approach offers fresh insight into an erudite playful difficult contradictory and experimental body of work Ultimately the collection asks how should we reconstruct the author and her work for the contemporary reader **The Reception of Cleopatra in the Age of Mass Media** Gregory N.

Daugherty,2022-10-06 This study examines the reception of Cleopatra from the beginning of the 20th century to the present day as it has been reflected in popular culture in the United States of America Daugherty provides a broad overview of the influence of the Egyptian queen by looking at her presence in film novels comics cartoons TV shows music advertising and toys The aim of the book is to show the different ways in which the figure of Cleopatra was able to reach a large and non elite audience Furthermore Daugherty makes a study of the reception of Cleopatra during her own lifetime He begins by looking at her portrayal in the vicious propaganda campaign waged by Octavian against his rival Marc Antony The consequence was that Cleopatra was left with a tarnished reputation after the civil war Daugherty s examination of both the historical and contemporary reception of Cleopatra shows the enduring legacy of one of history s most remarkable queens **The Romances of Théophile Gautier: Fortunio. One of Cleopatra's nights. King Candaules** Théophile Gautier,1912

The Works of Théophile Gautier: Fortunio. One of Cleopatra's nights. King Candaules Théophile Gautier, 1907

Shakespeare and the Classical Tradition Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985. Doctoral dissertations will also be included. Each entry will provide a clear and detailed summary of an item's contents. For poems and plays based directly on classical sources like *Antony and Cleopatra* and *The Rape of Lucrece*, virtually all significant scholarly work during the period covered will be annotated. For other works such as *Hamlet*, any scholarship that deals with classical connotations will be annotated. Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics.

Projecting the Past Maria Wyke, 2013-12-02 Brought vividly to life on screen, the myth of ancient Rome resonates through modern popular culture. *Projecting the Past* examines how the cinematic traditions of Hollywood and Italy have resurrected ancient Rome to address the concerns of the present. The book engages contemporary debates about the nature of the classical tradition, definitions of history, and the place of the past in historical film.

Samuel Barber Barbara B. Heyman, 2020 Samuel Barber (1910-1981) is one of the most admired and honored American composers of the twentieth century. An unabashed Romantic, largely independent of worldwide trends and the avant-garde, he infused his works with poetic lyricism and gave tonal language and forms new vitality. His rich legacy includes every genre, including the famous *Adagio for Strings* (Knoxville, Summer of 1915), three concertos, a plethora of songs, and two operas, the Pulitzer Prize-winning *Vanessa* and *Antony and Cleopatra*, the commissioned work that opened the new Metropolitan Opera House at Lincoln Center in 1966. Generously documented by letter sketches, autograph manuscripts, and interviews with friends, colleagues, and performers with whom he worked, this ASCAP Award-winning book is still unquestionably the most authoritative biography on Barber, covering his entire career and interweaving the events of his life with his compositional process. This second edition benefits from many new discoveries, including a Violin Sonata recovered from an artist's estate, a diary Barber kept his seventeenth year, a trove of letters and manuscripts that were recovered from a suitcase found in a dumpster, documentation that dispels earlier myths about the composition of Barber's Violin Concerto, and research of scholars that was stimulated by Heyman's work. Barber's intimate relations are discussed when they bear on his creativity. A testament to the lasting significance of Romanticism, *Samuel Barber* stands as a model biography of an important musical figure.

Short Scenes from Shakespeare and how to Act Them William Shakespeare, Isabel McReynolds Gray, 1929

Dialogues in verse : Gebir. Acts and scenes. Hellenics Walter Savage Landor, 1876

Antony and Cleopatra Carol Chillington Rutter, 2020-07-28 This book looks at *Antony and Cleopatra* in performance from 1606 to 2018, examining how actors, directors, and designers pick up the play's themes of desire and delinquency, exoticism, and erotic politics to locate the most ambitious love story ever told in a new present. Is the play tragedy, comedy, farce? Rutter shows it's all three.

The Palgrave Handbook of Shakespeare's Queens Kavita Mudan Finn, Valerie Schutte, 2018-07-20 Of Shakespeare's thirty-seven

plays fifteen include queens This collection gives these characters their due as powerful early modern women and agents of change bringing together new perspectives from scholars of literature history theater and the fine arts Essays span Shakespeare s career and cover a range of famous and lesser known queens from the furious Margaret of Anjou in the Henry VI plays to the quietly powerful Hermione in The Winter s Tale from vengeful Tamora in Titus Andronicus to Lady Macbeth Early chapters situate readers in the critical concerns underpinning any discussion of Shakespeare and queenship the ambiguous figure of Elizabeth I and the knotty issue of gender presentation The focus then moves to analysis of issues such as motherhood intertextuality and contemporary political contexts close readings of individual plays and investigations of rhetoric and theatricality Featuring twenty five chapters with a rich variety of themes and methodologies this handbook is an invaluable reference for students and scholars and a unique addition to the fields of Shakespeare and queenship studies Winner of the 2020 Royal Studies Journal book prize

Royal Portraits in Hollywood Elizabeth A. Ford, Deborah C. Mitchell, 2009-06-26 Few lives provide as much history or drama as those of monarchs Filmmakers from the silent era to onward have displayed a deep fascination with the lives of royalty and with queens in particular Still the question remains what do these films really tell us about the women beneath the crowns Drawing on films from the 1930s to those of today Royal Portraits in Hollywood Filming the Lives of Queens investigates the ways in which these films reproduce history and represent women Though hardly progressive in nature many early films offered an acceptable nonthreatening way to present strong female characters in an economic and social landscape run almost exclusively by men Authors Elizabeth Ford and Deborah Mitchell track the evolution of queens on film noting how depictions of prominent women have changed over the past several decades and calling attention to the ways in which films both reflect and dictate the social norms of their eras By comparing historical records of monarchs such as Queen Christina of Sweden Catherine the Great Cleopatra and Elizabeth I with their onscreen personas and examining the biographical details of the actresses who portrayed these women Ford and Mitchell present a fascinating inquiry into issues of historical accuracy and gender politics in film

Antony and Cleopatra William Shakespeare, 2013-07-10 A magnificent drama of love and war this riveting tragedy presents one of Shakespeare s greatest female characters the seductive cunning Egyptian queen Cleopatra The Roman leader Mark Antony a virtual prisoner of his passion for her is a man torn between pleasure and virtue between sensual indolence and duty between an empire and love Bold rich and splendid in its setting and emotions Antony And Cleopatra ranks among Shakespeare s supreme achievements
