Scheyville Experience:

A Soldier's Soldier Jeffrey Grey, 2013-01-24 Lieutenant General Sir Thomas Daly was a renowned soldier and one of the most influential figures in Australia's military history. As Chief of the General Staff during the Vietnam War, he oversaw a significant reorganisation of the Army as he fought a war under political and resource restrictions. In this unique biography, Jeffrey Grey shows how Daly prepared himself for the challenges of command in a time of great political upheaval. **A Soldier's Soldier** examines Daly's career from his entry to Duntroon in the early 1930s until his retirement forty years later, covering the key issues in the development of the Australian Army along the way. Drawing on extensive interview transcripts, the book provides a compelling portrait of Sir Thomas Daly and his distinguished career.

Management of Team Leadership in Extreme Context George B. Graen, Joan A. Graen, 2013-03-01 The proper balance of managerial administrative control and managerial team leadership depends upon the work context. After organizational procedures are designed by work process engineers, managers and their direct reports in the business units are charged to save our ship SOS by their employers. Their ships, their business units, often were built for calm seas. Unfortunately, turbulent seas may happen unexpectedly and stress their ships and crews. Under extreme conditions, the sea may put their ships squarely in harm's way. If they are not well prepared, their chances of survival are few and none. This book is about managing and being managed under conditions of extreme contexts where only the special teams survive and prosper.

Soldier Phil Rutherford, 2017-08-05 **Soldier** presents a magnificent collection of highly detailed illustrations depicting uniforms worn by the military forces of this nation from colonial times to the modern era. Accompanying each illustration is the history of the uniform and equipment portrayed and the men and women who wore the uniform and the circumstances of their service. This is a book rich in colour and historical narrative. **Soldier** is much more than simply a description of military uniforms and equipment. Phil Rutherford has spent over 20 years searching for the roots of Australia's modern army, analysing trends both in dress and in the military art itself. In doing so, he has discovered that there is very little about the uniforms worn and the equipment carried by today's soldiers that can truly be called its own. Even the most iconic symbol of the Australian army, the slouch hat, was not invented by a Victorian volunteer as popular rumour suggests but was worn by troops in seventeenth-century Europe. In fact, there are significant elements of the army's dress and equipment, such as the badges of rank worn by both soldiers and officers, which can be traced to the days of knights in shining armour. **Soldier** seeks to map the links between the army's modern dress and its earliest antecedents, describing the formation and history of Australia's army from the perspective of both the regular and reserve soldiers. This book also reveals the story behind the soldiers themselves, the men and women who wore these uniforms and the times in which they served, since the first volunteers and militias were raised to protect the lives and property of the earliest settlers from adversaries both real and imagined.

Fire Support Bases Vietnam Bruce Picken, 2012-02-15 **Fire Support Bases Vietnam** is a meticulous documentation of the construction, location and role of fire

support bases during the Vietnam War compiled by Vietnam veteran Bruce Picken Often makeshift bases hacked out of primary jungle these artillery gun areas provided essential support to infantry field units during operations in South Vietnam In its simplest sense a fire support base was an often hastily constructed fortified artillery base position usually sited forward close to the centre of the area of operations in support of task force battalion or company operations The role of the fire support base was to bring artillery and mortar fire within range of friendly forces operating in depth Artillery gun areas were not unique to the Vietnam conflict In previous wars they were deployed in allied territory to cover the front lines and to support advancing troops The concept was first applied in Vietnam by US forces and quickly adapted by Australian forces arriving in Phuoc Tuy Province in May 1966 to fight a new kind of war This conflict was not like its predecessors and the fire support bases were now more usually sited in territory dominated by the enemy to provide much needed protection for forces operating in bitterly contested areas Fire Support Bases Vietnam is a detailed account that identifies every fire support base by date location and role and provides an outline of the operations in which they participated This is an essential reference book for those with a serious interest in the Vietnam War and adds valuable detail to the study of a campaign that occupies a unique place in the Australian psyche

The Battle of Long Tan Robert Grandin,2004-08-01 An account of the most famous Australian battle of the Vietnam war by the six Australian commanders and one New Zealander commander of the units which made up the Australian fighting force

The Once and Future Army Dayton McCarthy,2003 This is the post war history of the Citizen Military Forces CMF the predecessor to today s Army Reserve Once numerically superior to the Australian Regular Army it was the predominant component of the Army until the changing nature of warfare favored the use of professional regular soldiers This book illustrates its organization role and social composition along with the rivalry with the Regular Army

The Battle of Long Tan Peter FitzSimons,2022-10-26 From the bestselling author of Kokoda and Gallipoli comes the epic story of Australia s deadliest Vietnam War battle 4 31 pm Enemy on left flank Could be serious 5 01 pm Enemy penetrating both flanks and to north and south 5 02 Running short of ammo Require drop through trees It was the afternoon of 18 August 1966 hot humid with grey monsoonal skies D Company 6RAR were four kilometres east of their Nui Dat base on patrol in a rubber plantation not far from the abandoned village of Long Tan A day after their base had suffered a mortar strike they were looking for Viet Cong soldiers Then just when they were least expecting they found them Under withering fire some Diggers perished some were grievously wounded the rest fought on as they remained under sustained attack For hours these men fought for their lives against the enemy onslaught The skies opened and the rain fell as ferocious mortar and automatic fire pinned them down Snipers shot at close quarters from the trees that surrounded them The Aussie Kiwi and Yankee artillery batteries knew it was up to them but outnumbered and running out of ammunition they fired loaded fired as Viet Cong and North Vietnamese Army forces just kept coming And coming Their only hope was if Armoured Personnel Carriers APCs could reach them before they were wiped out The APCs did their best but low cloud and

thunderstorms meant air support was stalled A daring helicopter resupply mission was suggested but who would want to fly that The odds against this small force were monumental By far the deadliest battle for Australian forces in Vietnam the Battle of Long Tan has a proud place in the annals of Australian military history and every ANZAC who fought there could hold his head high Peter FitzSimons Australia's greatest storyteller tells the real story of this classic battle He reveals the horror the bravery the wins and the losses that faced our soldiers He brings to life the personal stories of the men who fought the events leading up to that memorable battle and the long war that followed and the political decisions made in the halls of power that sealed their fates The Battle of Long Tan is an engrossing and powerful history that shows the costs of war never end

Pictorial History Hawkesbury Michelle Nichols, 2004 Pictorial History Hawkesbury by Michelle Nichols is a new book in the famous series of pictorial histories which cover the suburbs of Sydney The Hawkesbury district in Sydney's west was once home to many Australians and in the early 19th century had the second highest population in the colony In the first few decades of the 1800s the Hawkesbury region was one of the major settlements alongside Sydney and Parramatta Indeed many Australians can trace their origins both convict and free to this district In the Hawkesbury history suburbs extending from Bilpin Colo Ebenezer Kurrajong Mount Tomah Richmond Windsor and Wiseman's Ferry are represented in a wide range of black and white photographs The book includes the historic areas of Cattai Riverstone Londonderry and Yarramundi With over 190 rare and interesting photographs it is a fascinating overview of the history of the area from Aboriginal to modern times

The Platoon Commander John O'Halloran, Ric Teague, 2021-06-09 John O'Halloran was a country boy from Tamworth NSW who was called up for national service not long after the start of the Vietnam War As a tough and determined 21 year old he guided 6 RAR's B Company 5 Platoon through some of the biggest conflicts of the war including Operation Hobart and the Battle of Long Tan But he faced his hardest military challenge at Operation Bribie leading a fixed bayonet charge against a deadly Viet Cong jungle stronghold The Platoon Commander is an unmissable and devastating first hand account of the realities and brutalities of war and especially this war fought in jungles not trenches which would go on to bitterly divide Australians O'Halloran's sense of duty and strong character carried him and his men through fierce battles and uncertainty His sense of humour kept him going through the years afterwards His indomitable spirit inspired the men of 5 Platoon to fight against the odds to achieve the mission no matter how treacherous and even away from the action and in the many years since O'Halloran kept the respect of his men Now regarded by many of his peers as a national treasure John Patrick Joseph O'Halloran has been quoted in almost every important book written about Australia's involvement in the Vietnam War yet has never told his own remarkable story Until now

Australia's Vietnam War Jeff Doyle, Jeffrey Grey, Peter Pierce, 2002 Today the mere mention of Vietnam conjures up images of protest in American streets and tensions so strong they divided a country Yet the United States did not fight alone Comparatively little is known about Australia's experience its motives for entering the conflict national support for Australia's role there and how that nation dealt with the

aftermath of war Here Jeff Doyle Jeffrey Grey and Peter Pierce chronicle Australia's complicated involvement in Vietnam Australia's decision to participate in the conflict was part of a collective Western effort to stop Communist expansion It was also a price willingly paid for assurances of American intervention in the event of an Indonesian attack on Australia Through an evaluation of the literature arising from Vietnam the manner in which Australia memorialized its fallen veterans and other expressions of the war's influences this book offers important insights into the healing process nations face following such conflicts

The Hawkesbury River Paul Boon, 2017-07 The Hawkesbury River is the longest coastal river in New South Wales A vital source of water and food it has a long Aboriginal history and was critical for the survival of the early British colony at Sydney The Hawkesbury's weathered shores cliffs and fertile plains have inspired generations of artists It is surrounded by an unparalleled mosaic of national parks including the second oldest national park in Australia Ku-ring-gai National Park Although it lies only 35 km north of Sydney to many today the Hawkesbury is a hidden river its historical and natural significance not understood or appreciated Until now the Hawkesbury has lacked an up to date and comprehensive book describing how and when the river formed how it functions ecologically how it has influenced humans and their patterns of settlement and in turn how it has been affected by those settlements and their people *The Hawkesbury River A Social and Natural History* fills this gap With chapters on the geography geology hydrology and ecology of the river through to discussion of its use by Aboriginal and European people and its role in transport defence and culture this highly readable and richly illustrated book paints a picture of a landscape worthy of protection and conservation It will be of value to those who live visit or work in the region those interested in Australian environmental history and professionals in biology natural resource management and education
